(3) A land bank shall maintain all of its real property in accordance with the laws and ordinances of the jurisdiction in which the real property is located.

(4) A land bank may convey, exchange, sell, transfer, grant, release and demise, pledge, and hypothecate any and all interests in, upon, or to real property of the land bank. A land bank may lease as lessor real property of the land bank for a period not to exceed twelve months, except that such twelve-month limitation shall not apply if the real property of the land bank is subject to a lease with a remaining term of more than twelve months at the time such real property is acquired by the land bank.

(5) The municipality or municipalities that created the land bank may establish by resolution or ordinance a hierarchical ranking of priorities for the use of real property conveyed by a land bank. Such ranking shall take into consideration the highest and best use that, when possible, will bring the greatest benefit to the community. The priorities may include, but are not limited to, (a) use for purely public spaces and places, (b) use for affordable housing, (c) use for retail, commercial, and industrial activities, and (d) such other uses and in such hierarchical order as determined by the municipality or municipalities.

Except and unless restricted or constrained in this manner, the board may delegate to officers and employees the authority to enter into and execute agreements, instruments of conveyance, and all other related documents pertaining to the conveyance of real property by the land bank.

Sec. 11. (1) A land bank may receive funding through grants and loans from the municipality or municipalities that created the land bank, from other municipalities, from the state, from the federal government, and from other public and private sources.

Such allocation of property tax revenue shall commence with the first taxable year following the date of conveyance and shall continue for a period of five years. Such allocation of property tax revenue shall not occur if such taxes have been divided under section 18-2147 as part of a redevelopment project under the Community Development Law, unless the authority, as defined in section 18-2103, enters into an agreement with the land bank for the remittance of such funds to the land bank.

(b) A land bank may, by resolution of the board, elect not to receive the real property taxes described in subdivision (a) of this subsection for any real property conveyed by the land bank. If such an election is made, the land bank shall notify the county treasurer of the county in which the real property is located by filing a copy of the resolution with the county treasurer, and thereafter the county treasurer shall remit such real property taxes to the appropriate taxing entities.

Sec. 12. (1) A land bank shall have the power to issue bonds for any of its corporate purposes, the principal and interest of which are payable from its revenue generally. The principal and interest, costs of issuance, and other costs incidental thereto shall be payable solely from the income and revenue derived from the sale, lease, or other disposition of the assets of the land bank. Any refunding bonds issued shall be payable from any source described above or from the investment of any of the proceeds of the refunding bonds, and shall not constitute an indebtedness or pledge of the general credit of any municipality within the meaning of any constitutional or statutory limitation of indebtedness and shall contain a recital to that effect. Bonds of the land bank shall be issued in such form, shall be in such denominations, shall bear interest, shall mature in such manner, and shall be executed by one or more members of the board as provided in the resolution authorizing the issuance thereof. Such bonds may be subject to redemption at the option of and in the manner determined by the board in the resolution authorizing the issuance thereof.

The resolution issuing bonds shall be published in a newspaper of general circulation within the municipality or municipalities that created the land bank.

(6) Neither the members of the board nor any person executing the bonds shall be liable personally on any such bonds by reason of the issuance thereof. The report submitted to the Revenue Committee shall be submitted electronically.

Sec. 14. A land bank may be dissolved sixty calendar days after a resolution of dissolution is approved by two-thirds of the voting members of the board and by two-thirds of the membership of the governing body of the municipality or municipalities that created the land bank. The board shall give sixty calendar days' advance written notice of its consideration of a resolution of dissolution by publishing such notice in a newspaper of general circulation within the municipality or municipalities that created the land bank and shall send such notice by certified mail to the trustee of any outstanding bonds of the land bank. Upon dissolution of the land bank, all real property, personal property, and other assets of the land bank shall become the assets of the municipality or municipalities that created the land bank.

Sec. 15. (1) No member of the board or employee of a land bank shall acquire any interest, direct or indirect, in real property of the land bank, in any real property to be acquired by the land bank, or in any real property to be acquired from the land bank. No member of the board or employee of a land bank shall have any interest, direct or indirect, in any contract or proposed contract for materials or services to be furnished or used by a land bank.

(2) The board shall adopt:

(a) Rules addressing potential conflicts of interest; and

(b) Ethical guidelines for members of the board and employees of the land bank.

Sec. 16. (1) Whenever any real property is acquired by a land bank and is encumbered by a lien or claim for real property taxes owed to one or more political subdivisions of the state, the land bank may, by resolution of the board, discharge and extinguish any and all such liens or claims, except that no lien or claim represented by a tax sale certificate held by a private

third party shall be discharged or extinguished pursuant to this section. To the extent necessary and appropriate, the land bank shall file in appropriate public records evidence of the extinguishment and dissolution of such liens or claims.

(2) To the extent that a land bank receives payments of any kind attributable to liens or claims for real property taxes owed to a political subdivision on property acquired by the land bank, the land bank shall remit the full amount of the payments to the county treasurer of the county that levied such taxes for distribution to the appropriate taxing entity.

Sec. 17. (1)(a) At any sale of real property for the nonpayment of taxes conducted pursuant to sections 77-1801 to 77-1863, a land bank may:

(i) Bid on such real property in an amount equal to the total amount of taxes, interest, and costs due on the real property. If a bid is given pursuant to this subdivision, the bid shall not receive any special treatment by the county treasurer and shall be accepted or rejected in the same manner as any other bid on such real property; or

(ii) Give an automatically accepted bid on such real property in an amount equal to the total amount of taxes, interest, and costs due on the real property. If an automatically accepted bid is given, it shall be accepted by the county treasurer regardless of any other bids on such real property. An automatically accepted bid may be given only if the conditions for making such a bid prescribed by the board pursuant to subsection (11) of section 5 of this act have been met.

(b) If a land bank's bid pursuant to subdivision (1)(a) of this section is accepted by the county treasurer, the land bank shall pay the county treasurer and shall be entitled to a tax sale certificate for such real property.

(2) If a county holds a tax sale certificate pursuant to section 77-1809, a land bank may purchase such tax sale certificate from the county by paying the county treasurer the amount expressed on the face of the certificate and interest thereon at the rate specified in section 45-104.01, as such rate may from time to time be adjusted by the Legislature, from the date the tax sale certificate was first issued to the county to the date such certificate was purchased by the land bank.

(3) Within six months after the expiration of three years from the date of sale of real property for the nonpayment of taxes pursuant to sections 77-1801 to 77-1863, a land bank that has acquired a tax sale certificate for such real property under this section may:

(a) Apply to the county treasurer for a tax deed for the real property described in the tax sale certificate. A land bank applying for a tax deed shall comply with all the requirements of sections 77-1801 to 77-1863 relating to such tax deed; or

(b) Foreclose the lien represented by the tax sale certificate as authorized in section 77-1902.

Sec. 18. (1)(a) At any sale of real property conducted as part of foreclosure proceedings under sections 77-1901 to 77-1941, a land bank may:

(i) Bid on such real property in an amount that the land bank would be willing to pay for such real property. If a bid is given pursuant to this subdivision, the bid shall not receive any special treatment by the sheriff conducting the sale and shall be accepted or rejected in the same manner as any other bid on such real property; or

(ii) Give an automatically accepted bid on such real property in an amount equal to the total amount of taxes, interest, and costs due on the real property. If an automatically accepted bid is given, it shall be accepted by the sheriff regardless of any other bids on such real property. An automatically accepted bid may be given only if the conditions for making such a bid prescribed by the board pursuant to subsection (11) of section 5 of this act have been met and only if the land bank has obtained written consent to the tender of an automatically accepted bid from the holder of a mortgage or the beneficiary or trustee under a trust deed giving rise to a lien against such real property. To obtain such written consent, the land bank shall send, by certified mail, a notice of its intent to make an automatically accepted bid to any such holder of a mortgage or beneficiary or trustee under a trust deed and shall request that written consent be given within thirty days. If no response is given within such thirty-day time period, such holder of a mortgage or beneficiary or trustee under a trust deed shall be deemed to have given written consent.

(b) If a land bank's bid pursuant to subdivision (1)(a) of this section is accepted by the sheriff, the land bank shall pay the sheriff and shall be entitled to a deed to the real property in accordance with sections 77-1901 to 77-1941.

(2) If a sheriff attempts to sell real property as part of

foreclosure proceedings under sections 77-1901 to 77-1941, there is no bid given at such sale equal to the total amount of taxes, interest, and costs due thereon, and the real property being sold lies within a municipality that has created a land bank, then such land bank shall be deemed to have bid the total amount of taxes, interest, and costs due thereon and such bid shall be accepted by the sheriff. The land bank may then discharge and extinguish the liens for delinquent taxes included in the foreclosure proceedings pursuant to section 16 of this act. The land bank shall then be entitled to a deed to the real property in accordance with sections 77-1901 to 77-1941.

Sec. 19. Section 77-1736.06, Revised Statutes Cumulative Supplement, 2012, is amended to read:

77-1736.06 The following procedure shall apply when making a property tax refund:

(1) Within thirty days of the entry of a final nonappealable order, an unprotested determination of a county assessor, an unappealed decision of a county board of equalization, or other final action requiring a refund of real or personal property taxes paid or, for property valued by the state, within thirty days of a recertification of value by the Property Tax Administrator pursuant to section 77-1775 or 77-1775.01, the county assessor shall determine the amount of refund due the person entitled to the refund, certify that amount to the county treasurer, and send a copy of such certification to the person entitled to the refund. Within thirty days from the date the county assessor certifies the amount of the refund, the county treasurer shall notify each political subdivision, including any school district receiving a distribution pursuant to section 79-1073 or 79-1073.01 and any land bank receiving real property taxes pursuant to subdivision (3)(a) of section 11 of this act, of its respective share of the refund, except that for any political subdivision whose share of the refund is two hundred dollars or less, the county board may waive this notice requirement. Notification shall be by first-class mail, postage prepaid, to the last-known address of record of the political subdivision. The county treasurer shall pay the refund from funds in his or her possession belonging to any political subdivision, including any school district receiving a distribution pursuant to section 79-1073 or 79-1073.01 and any land bank receiving real property taxes pursuant to subdivision (3)(a) of section 11 of this act, which received any part of the tax or penalty being refunded. If sufficient funds are not available or the political subdivision, within thirty days of the mailing of the notice by the county treasurer if applicable, certifies to the county treasurer that a hardship would result and create a serious interference with its governmental functions if the refund of the tax or penalty is paid, the county treasurer shall register the refund or portion thereof which remains unpaid as a claim against such political subdivision and shall issue the person entitled to the refund a receipt for the registration of the claim. The certification by a political subdivision declaring a hardship shall be binding upon the county treasurer;

(2) The refund of a tax or penalty or the receipt for the registration of a claim made or issued pursuant to this section shall be satisfied in full as soon as practicable and in no event later than five years from the date the final order or other action approving a refund is entered. The governing body of the political subdivision shall make provisions in its budget for the amount of any refund or claim to be satisfied pursuant to this section. If a receipt for the registration of a claim is given:

(a) Such receipt shall be applied to satisfy any tax levied or assessed by that political subdivision next falling due from the person holding the receipt after the sixth next succeeding levy is made on behalf of the political subdivision following the final order or other action approving the refund; and

(b) To the extent the amount of such receipt exceeds the amount of such tax liability, the unsatisfied balance of the receipt shall be paid and satisfied within the five-year period prescribed in this subdivision from a combination of a credit against taxes anticipated to be due to the political subdivision during such period and cash payment from any funds expected to accrue to the political subdivision pursuant to a written plan to be filed by the political subdivision with the county treasurer no later than thirty days after the claim against the political subdivision is first reduced by operation of a credit against taxes due to such political subdivision.

If a political subdivision fails to fully satisfy the refund or claim prior to the sixth next succeeding levy following the entry of a final nonappealable order or other action approving a refund, interest shall accrue on the unpaid balance commencing on the sixth next succeeding levy following such entry or action at the rate set forth in section 45-103;

(3) The county treasurer shall mail the refund or the receipt by

first-class mail, postage prepaid, to the last-known address of the person entitled thereto. Multiple refunds to the same person may be combined into one refund or credit. If a refund is not claimed by June 1 of the year following the year of mailing, the refund shall be canceled and the resultant amount credited to the various funds originally charged;

(4) When the refund involves property valued by the state, the Tax Commissioner shall be authorized to negotiate a settlement of the amount of the refund or claim due pursuant to this section on behalf of the political subdivision from which such refund or claim is due. Any political subdivision which does not agree with the settlement terms as negotiated may reject such terms, and the refund or claim due from the political subdivision then shall be satisfied as set forth in this section as if no such negotiation had occurred;
