Sec. 6. Section 77-2703, Revised Statutes Supplement, 1995, is amended to read:

77-2703. (1) There is hereby imposed a tax at the rate provided in section 77-2701.02 upon the gross receipts from all sales of tangible personal property sold at retail in this state, the gross receipts of every person engaged as a public utility, as a community antenna television service operator or any person involved in the connecting and installing of the services defined in subdivision (2)(a), (b), or (d) of section 77-2702.07, or as a retailer of intellectual or entertainment properties referred to in subsection (3) of section 77-2702.07, the gross receipts from the sale of admissions in this state, and the gross receipts from the sale of warranties, guarantees, service agreements, or maintenance agreements when the items covered are subject to tax under this section. When there is a sale, the tax shall be imposed at the rate in effect at the time the gross receipts are realized under the accounting basis used by the retailer to maintain his or her books and records.

(a) The tax imposed by this section shall be collected by the retailer from the consumer. It shall constitute a part of the purchase price and until collected shall be a debt from the consumer to the retailer and shall be recoverable at law in the same manner as other debts. The tax required to be collected by the retailer from the consumer constitutes a debt owed by the retailer to this state.

(b) It is unlawful for any retailer to advertise, hold out, or state to the public or to any customer, directly or indirectly, that the tax or part thereof will be assumed or absorbed by the retailer, that it will not be added to the selling, renting, or leasing price of the property sold, rented, or leased, or that, if added, it or any part thereof will be refunded. The provisions of this subdivision shall not apply to a public utility.

(c) The tax required to be collected by the retailer from the purchaser, unless otherwise provided by statute or by rule and regulation of the Tax Commissioner, shall be displayed separately from the list price, the price advertised in the premises, the marked price, or other price on the sales check or other proof of sales, rentals, or leases.

(d) For the purpose of more efficiently securing the payment, collection, and accounting for the sales tax and for the convenience of the retailer in collecting the sales tax, it shall be the duty of the Tax Commissioner to adopt and promulgate appropriate rules and regulations prescribing a schedule or schedules of the amounts to be collected from the consumer or user to effectuate the computation and collection of the tax imposed by the Nebraska Revenue Act of 1967. Such schedule or schedules shall provide that the tax shall be collected from the consumer or user uniformly on sales according to brackets based on sales prices of the item or items, except that the Tax Commissioner may authorize computation and collection of the tax uniformly on a straight percentage basis in lieu of brackets in situations involving machine or computer billing.

(e) The use of tokens or stamps for the purpose of collecting or enforcing the collection of the taxes imposed in the Nebraska Revenue Act of 1967 or for any other purpose in connection with such taxes is prohibited.

(f) For the purpose of the proper administration of the provisions of the Nebraska Revenue Act of 1967 and to prevent evasion of the retail sales tax, it shall be presumed that all gross receipts are subject to the tax until the contrary is established. The burden of proving that a sale of property is not a sale at retail is upon the person who makes the sale unless he or she takes, in good faith, from the purchaser a resale certificate to the effect that the property is purchased for the purpose of reselling, leasing, or renting it or takes, in good faith, an exemption certificate pursuant to subsection (7) of section 77-2705. Receipt of a resale certificate or exemption certificate, taken in good faith, shall be conclusive proof for the seller that the sale was made for resale or was exempt.

(g) In the rental or lease of automobiles, trucks, trailers, semitrailers, and truck-tractors as defined in section 60-301, the tax shall be collected by the lessor on the rental or lease price, except as otherwise provided within this section:

(1) From all vehicles registered for operation upon the highways of

this state which are rented or leased for periods of one year or more; or

(ii) From all vehicles delivered by the lessor within this state which are rented or leased for periods of less than one year.

(h) In the rental or lease of automobiles, trucks, trailers, semitrailers, and truck-tractors as defined in section 60-301, for periods of one year or more, the lessor may elect not to collect and remit the sales tax on the gross receipts and instead pay a sales tax on the cost of such vehicle. If such election is made, it shall be made pursuant to the following conditions:

(i) Notice of the desire to make such election shall be filed with the Tax Commissioner and shall not become effective until the Tax Commissioner is satisfied that the taxpayer has complied with all conditions of this subsection and all rules and regulations of the Tax Commissioner;

(ii) Such election when made shall continue in force and effect for a period of not less than two years and thereafter until such time as the lessor elects to terminate the election;

(iii) When such election is made, it shall apply to all vehicles of the lessor rented or leased for periods of one year or more except vehicles to be leased to common or contract carriers who provide to the lessor a valid common or contract carrier exemption certificate. If the lessor rents or leases other vehicles for periods of less than one year, such lessor shall maintain his or her books and records and his or her accounting procedure as the Tax Commissioner prescribes; and

(iv) The Tax Commissioner by rule and regulation shall prescribe the contents and form of the notice of election, a procedure for the determination of the tax base of vehicles which are under an existing lease at the time such election becomes effective, the method and manner for terminating such election, and such other rules and regulations as may be necessary for the proper administration of this subdivision.

(i) The tax imposed by this section on the sales of motor vehicles, trailers, and semitrailers as defined in section 60-301 shall be the liability of the purchaser and, with the exception of motor vehicles, trailers, and semitrailers registered pursuant to section 60-305.09, the tax shall be collected by the county treasurer or designated county official as provided in section 60-302 at the time the purchaser makes application for the registration of the motor vehicle, trailer, or semitrailer for operation upon the highways of this state. The tax imposed by this section on motor vehicles, trailers, and semitrailers registered pursuant to section 60-305.09 shall be collected by the Department of Motor Vehicles at the time the purchaser makes application for the registration of the motor vehicle, trailer, or semitrailer for operation upon the highways of this state. At the time of the sale of any motor vehicle, trailer, or semitrailer, the seller shall (i) state on the sales invoice the dollar amount of the tax imposed under this section and (ii) furnish to the purchaser a certified statement of the transaction, in such form as the Tax Commissioner prescribes, setting forth as a minimum the total sales price, the allowance for any trade-in, and the difference between the two. The sales tax due shall be computed on the difference between the total sales price and the allowance for any trade-in as disclosed by such certified statement. Any seller who willfully understates the amount upon which the sales tax is due shall be subject to a penalty of one thousand dollars. A copy of such certified statement shall also be furnished to the Tax Commissioner. Any seller who fails or refuses to furnish such certified statement shall be guilty of a misdemeanor and shall, upon conviction thereof, be punished by a fine of not less than twenty-five dollars nor more than one hundred dollars. If the seller fails to state on the sales invoice the dollar amount of the tax due, the purchaser shall have the right and authority to rescind any agreement for purchase and to declare the purchase null and void. If the purchaser retains such motor vehicle, trailer, or semitrailer in this state and does not register it for operation on the highways of this state within thirty days of the purchase thereof, the tax imposed by this section shall immediately thereafter be paid by the purchaser to the county treasurer, the designated county official, or the Department of Motor Vehicles. If the tax is not paid on or before the thirtieth day after its purchase, the county treasurer, designated county official, or Department of Motor Vehicles shall also collect from the purchaser interest from the thirtieth day through the date of payment and sales tax penalties as provided in the Nebraska Revenue Act of 1967. The county treasurer, designated county official, or Department of Motor Vehicles shall report and remit the tax so collected to the Tax Commissioner by the fifteenth day of the following month. The county treasurer or designated county official shall deduct and withhold for the use of the county general fund, from all amounts required to be collected under this subsection, the collection fee permitted to be deducted

by any retailer collecting the sales tax. The Department of Motor Vehicles shall deduct, withhold, and deposit in the Interstate Registration Operations Cash Fund the collection fee permitted to be deducted by any retailer collecting the sales tax. The collection fee shall be forfeited if the county treasurer, designated county official, or Department of Motor Vehicles violates any rule or regulation pertaining to the collection of the use tax.

(j)(1) The tax imposed by this section on the sale of a motorboat as defined in section 37-1204 shall be the liability of the purchaser. The tax shall be collected by the county treasurer or designated county official at the time the purchaser makes application for the registration of the motorboat. At the time of the sale of a motorboat, the seller shall (A) state on the sales invoice the dollar amount of the tax imposed under this section and (B) furnish to the purchaser a certified statement of the transaction, in such form as the Tax Commissioner prescribes, setting forth as a minimum the total sales price, the allowance for any trade-in, and the difference between the two. The sales tax due shall be computed on the difference between the total sales price and the allowance for any trade-in as disclosed by such certified statement. Any seller who willfully understates the amount upon which the sales tax is due shall be subject to a penalty of one thousand dollars. A copy of such certified statement shall also be furnished to the Tax Commissioner. Any seller who fails or refuses to furnish such certified statement shall be guilty of a misdemeanor and shall, upon conviction thereof, be punished by a fine of not less than twenty-five dollars nor more than one hundred dollars. If the seller fails to state on the sales invoice the dollar amount of the tax due, the purchaser shall have the right and authority to rescind any agreement for purchase and to declare the purchase null and void. If the purchaser retains such motorboat in this state and does not register it within thirty days of the purchase thereof, the tax imposed by this section shall immediately thereafter be paid by the purchaser to the county treasurer or designated county official. If the tax is not paid on or before the thirtieth day after its purchase, the county treasurer or designated county official shall also collect from the purchaser interest from the thirtieth day through the date of payment and sales tax penalties as provided in the Nebraska Revenue Act of 1967. The county treasurer or designated county official shall report and remit the tax so collected to the Tax Commissioner by the fifteenth day of the following month. The county treasurer or designated county official shall deduct and withhold for the use of the county general fund, from all amounts required to be collected under this subsection, the collection fee permitted to be deducted by any retailer collecting the sales tax. The collection fee shall be forfeited if the county treasurer or designated county official violates any rule or regulation pertaining to the collection of the use tax.

(i) In the rental or lease of motorboats, the tax shall be collected by the lessor on the rental or lease price, except as otherwise provided within this section:

(A) From all motorboats registered for operation within this state which are rented or leased for periods of one year or more; or

(B) From all motorboats delivered by the lessor within this state which are rented or leased for periods of less than one year.

(iii) Subdivisions (1)(j)(i) and (ii) of this section become - The county treasurer shall report and remit the tax so collected to the Tax Commissioner at such times as the Tax Commissioner may require by rule and regulation. The county treasurer shall deduct and withhold for the use of the county general fund the collection fee permitted to be deducted by any retailer collecting the sales tax. The collection fee shall be forfeited if the county treasurer violates any rule or regulation pertaining to the collection of the use tax.

(ii) Subdivision (1)(j)(i) of this section becomes operative January 1, 1997.

(k) The Tax Commissioner shall adopt and promulgate necessary rules and regulations for determining the amount subject to the taxes imposed by this section so as to insure that the full amount of any applicable tax is paid in cases in which a sale is made of which a part is subject to the taxes imposed by this section and a part of which is not so subject and a separate accounting is not practical or economical.

(2) A use tax is hereby imposed on the storage, use, or other consumption in this state of property purchased, leased, or rented from any retailer and on any transaction the gross receipts of which are subject to tax under subsection (1) of this section on or after June 1, 1967, for storage, use, or other consumption in this state at the rate set as provided in subsection (1) of this section on the sales price of the property or, in the case of leases or rentals, of the lease or rental prices.

(a) Every person storing, using, or otherwise consuming in this state property purchased from a retailer or leased or rented from another person for such purpose shall be liable for the use tax at the rate in effect when his or her liability for the use tax becomes certain under the accounting basis used to maintain his or her books and records. His or her liability shall not be extinguished until the use tax has been paid to this state, except that a receipt from a retailer engaged in business in this state or from a retailer who is authorized by the Tax Commissioner, under such rules and regulations as he or she may prescribe, to collect the sales tax and who is, for the purposes of the Nebraska Revenue Act of 1967 relating to the sales tax, regarded as a retailer engaged in business in this state, which receipt is given to the purchaser pursuant to subdivision (b) of this subsection, shall be sufficient to relieve the purchaser from further liability for the tax to which the receipt refers.

(b) Every retailer engaged in business in this state and selling, leasing, or renting property for storage, use, or other consumption in this state shall, at the time of making any sale, collect any tax which may be due from the purchaser and shall give to the purchaser, upon request, a receipt therefor in the manner and form prescribed by the Tax Commissioner.

(c) The Tax Commissioner, in order to facilitate the proper administration of the use tax, may designate such person or persons as he or she may deem necessary to be use tax collectors and delegate to such persons such authority as is necessary to collect any use tax which is due and payable to the State of Nebraska. The Tax Commissioner may require of all persons so designated a surety bond in favor of the State of Nebraska to insure against any misappropriation of state funds so collected. The Tax Commissioner may require any tax official, city, county, or state, to collect the use tax on behalf of the state. All persons designated to or required to collect the use tax shall account for such collections in the manner prescribed by the Tax Commissioner. Nothing in this subdivision shall be so construed as to prevent the Tax Commissioner or his or her employees from collecting any use taxes due and payable to the State of Nebraska.

(d) All persons designated to collect the use tax and all persons required to collect the use tax shall forward the total of such collections to the Tax Commissioner at such time and in such manner as the Tax Commissioner may prescribe. Such collectors of the use tax shall deduct and withhold from the amount of taxes collected two and one-half percent of the first three thousand dollars remitted each month and one-half of one percent of all amounts in excess of three thousand dollars remitted each month as reimbursement for the cost of collecting the tax, except that for each month from October 1, 1991, to September 30, 1992, such collectors shall deduct and withhold from the amount of taxes collected three percent of the first five thousand dollars remitted each month and one percent of all amounts in excess of five thousand dollars remitted each month as reimbursement for the cost of collecting the tax and for each month from April 1, 1993, to March 31, 1994, such collectors shall deduct and withhold from the amount of taxes collected three-quarters of one percent of the first two thousand dollars remitted each month and one-quarter of one percent of all amounts in excess of two thousand dollars remitted each month as reimbursement for the cost of collecting the tax. Any such deduction shall be forfeited to the State of Nebraska if such collector violates any rule, regulation, or directive of the Tax Commissioner.

(e) For the purpose of the proper administration of the Nebraska Revenue Act of 1967 and to prevent evasion of the use tax, it shall be presumed that property sold, leased, or rented by any person for delivery in this state is sold, leased, or rented for storage, use, or other consumption in this state until the contrary is established. The burden of proving the contrary is upon the person who purchases, leases, or rents the property.

(f) It shall be further presumed, in the absence of evidence to the contrary, that property shipped or brought to this state by the purchaser after June 1, 1967, was purchased from a retailer on or after that date for storage, use, or other consumption in this state.

(g)(i) Except as provided in subdivisions (g)(ii) through (g)(v) of this subsection, when a person purchases property in another state, the Commonwealth of Puerto Rico, any territory or possession of the United States, or any foreign country with the intent of using such property in such other state, commonwealth, territory, possession, or country and such property is actually used in the other state, commonwealth, territory, possession, or country for its intended purpose, the property shall not be subject to tax in this state.

(ii) Subdivision (g)(i) of this subsection shall only apply to a motor vehicle, trailer, or semitrailer as defined in section 60-301 when it is licensed for operation on the highways of the other state, commonwealth,

territory, possession, or country prior to being brought into this state.

(iii) Subdivision (g)(i) of this subsection shall not apply to an aircraft which is brought into this state within one year of purchase and (A) is regularly based within this state or (B) more than one-half of the aircraft's operating hours are within this state.

For purposes of subdivision (g)(iii) of this subsection, operation of the aircraft for the purpose of maintenance, repair, or fabrication with subsequent removal from this state upon completion of such maintenance, repair, or fabrication shall not be considered operating hours.

(iv)(A) Subdivision (g)(i) of this subsection shall only apply to a motorboat as defined in section 37-1204 when it is registered for operation in the other state, commonwealth, territory, possession, or country prior to being brought into this state.

(B) Subdivision (g)(iv)(A) of this subsection becomes operative January 1, 1997.

(v) Subdivision (g)(i) of this subsection shall not apply to any property that is manufactured, processed, or fabricated in another state and that is not used for its intended purpose in the other state after its manufacture, processing, or fabrication.

Sec. 7. Section 77-2708, Revised Statutes Supplement, 1995, is amended to read:

77-2708. (1)(a) The sales and use taxes imposed by the Nebraska Revenue Act of 1967 shall be due and payable to the Tax Commissioner monthly on or before the twenty-fifth day of the month next succeeding each monthly period unless otherwise provided pursuant to the Nebraska Revenue Act of 1967.

(b)(i) On or before the twenty-fifth day of the month following each monthly period or such other period as the Tax Commissioner may require, a return for such period, along with all taxes due, shall be filed with the Tax Commissioner in such form and content as the Tax Commissioner may prescribe and containing such information as the Tax Commissioner deems necessary for the proper administration of the Nebraska Revenue Act of 1967. The Tax Commissioner, if he or she deems it necessary in order to insure payment to or facilitate the collection by the state of the amount of sales or use taxes due, may require returns and payment of the amount of such taxes for periods other than monthly periods in the case of a particular seller, retailer, or purchaser, as the case may be. The Tax Commissioner shall by rule and regulation require reports and tax payments from sellers, retailers, or purchasers depending on their yearly tax liability. Annual returns shall be required if such sellers', retailers', or purchasers' yearly tax liability is less than nine hundred dollars, quarterly returns shall be required if their yearly tax liability is nine hundred dollars or more and less than three thousand dollars, and monthly returns shall be required if their yearly tax liability is three thousand dollars or more. The Tax Commissioner shall have the discretion to allow an annual return for seasonal retailers, even when their yearly tax liability exceeds the amounts listed in this subdivision.

The Tax Commissioner may adopt and promulgate rules and regulations to allow annual, semiannual, or quarterly returns for any retailer making monthly remittances or payments of sales and use taxes by electronic funds transfer. Such rules and regulations may establish a method of determining the amount of the payment that will result in substantially all of the tax liability being paid each quarter. At least once each year, the difference between the amount paid and the amount due shall be reconciled. If the difference is more than ten percent of the amount paid, a penalty of fifty percent of the unpaid amount shall be imposed.

(ii) For purposes of the sales tax, a return shall be filed by every retailer liable for collection from a purchaser and payment to the state of the tax, except that a combined sales tax return may be filed for all licensed locations which are subject to common ownership. For purposes of this subdivision, common ownership shall mean the same person or persons own eighty percent or more of each licensed location. For purposes of the use tax, a return shall be filed by every retailer engaged in business in this state and by every person who has purchased property, the storage, use, or other consumption of which is subject to the use tax, but who has not paid the use tax due to a retailer required to collect the tax.

(iii) Returns shall be signed by the person required to file the return or by his or her duly authorized agent but need not be verified by oath.

(iv) A taxpayer who keeps his or her regular books and records on a cash basis, an accrual basis, or any generally recognized accounting basis which correctly reflects the operation of the business may file the sales and use tax returns required by the Nebraska Revenue Act of 1967 on the same accounting basis that is used for the regular books and records, except that

on credit, conditional, and installment sales, the retailer who keeps his or her books on an accrual basis may report such sales on the cash basis and pay the tax upon the collections made during each month. If a taxpayer transfers, sells, assigns, or otherwise disposes of an account receivable, he or she shall be deemed to have received the full balance of the consideration for the original sale and shall be liable for the remittance of the sales tax on the balance of the total sale price not previously reported, except that such transfer, sale, assignment, or other disposition of an account receivable by a retailer to a subsidiary shall not be deemed to require the retailer to pay the sales tax on the credit sale represented by the account transferred prior to the time the customer makes payment on such account. If the subsidiary does not obtain a Nebraska sales tax permit, the taxpayer shall obtain a surety bond in favor of the State of Nebraska to insure payment of the tax and any interest and penalty imposed thereon under this section in an amount not less than two times the amount of tax payable on outstanding accounts receivable held by the subsidiary as of the end of the prior calendar year. Failure to obtain either a sales tax permit or a surety bond in accordance with this section shall result in the payment on the next required filing date of all sales taxes not previously remitted. When the retailer has adopted one basis or the other of reporting credit, conditional, or installment sales and paying the tax thereon, he or she will not be permitted to change from that basis without first having notified the Tax Commissioner.

(c) The taxpayer required to file the return shall deliver or mail any required return together with a remittance of the net amount of the tax due to the office of the Tax Commissioner on or before the required filing date. Failure to file the return, filing after the required filing date, failure to remit the net amount of the tax due, or remitting the net amount of the tax due after the required filing date shall be cause for a penalty, in addition to interest, of ten percent of the amount of tax not paid by the required filing date or twenty-five dollars, whichever is greater, unless the penalty is being collected under subdivision (1)(i) or (1)(j)(i) of section 77-2703 by a county treasurer, a designated county official, or the Department of Motor Vehicles, in which case the penalty shall be five dollars.

(d) The taxpayer shall deduct and withhold, from the taxes otherwise due from him or her on his or her tax return, two and one-half percent of the first three thousand dollars remitted each month and one-half of one percent of all amounts in excess of three thousand dollars remitted each month to reimburse himself or herself for the cost of collecting the tax. Taxpayers filing a combined return as allowed by subdivision (1)(b)(ii) of this subsection shall compute such collection fees on the basis of the receipts and liability of each licensed location.

(2)(a) If the Tax Commissioner determines that any sales or use tax amount, penalty, or interest has been paid more than once, has been erroneously or illegally collected or computed, or has been paid and the purchaser qualifies for a refund under section 77-2708.01, the Tax Commissioner shall set forth that fact in his or her records and the excess amount collected or paid may be credited on any sales, use, or income tax amounts then due and payable from the person under the Nebraska Revenue Act of 1967. Any balance may be refunded to the person by whom it was paid or his or her successors, administrators, or executors.

(b) No refund shall be allowed unless a claim therefor is filed with the Tax Commissioner by the person who made the overpayment or his or her attorney, assignee, executor, or administrator within three years from the required filing date following the close of the period for which the overpayment was made, within six months after any determination becomes final under section 77-2709, or within six months from the date of overpayment with respect to such determinations, whichever of these three periods expires later, unless the credit relates to a period for which a waiver has been given. Failure to file a claim within the time prescribed in this subsection shall constitute a waiver of any demand against the state on account of overpayment.

(c) Every claim shall be in writing on forms prescribed by the Tax Commissioner and shall state the specific amount and grounds upon which the claim is founded. No refund shall be made in any amount less than two dollars.

(d) The Tax Commissioner shall allow or disallow a claim within one hundred eighty days after it has been filed. If the Tax Commissioner has neither allowed nor disallowed a claim within such one hundred eighty days, the claim shall be deemed to have been allowed.

(e) Within thirty days after disallowing any claim in whole or in part, the Tax Commissioner shall serve notice of his or her action on the claimant in the manner prescribed for service of notice of a deficiency

determination.

(f) Within thirty days after the mailing of the notice of the Tax Commissioner's action upon a claim filed pursuant to the Nebraska Revenue Act of 1967, the action of the Tax Commissioner shall be final unless the taxpayer seeks review of the Tax Commissioner's determination as provided in section 77-27,127.

(g) Upon the allowance of a credit or refund of any sum erroneously or illegally assessed or collected, of any penalty collected without authority, or of any sum which was excessive or in any manner wrongfully collected, interest shall be allowed and paid on the amount of such credit or refund at the rate specified in section 45-104.02, as such rate may from time to time be adjusted, from the date such sum was paid or from the date the return was required to be filed, whichever date is later, to the date of the allowance of the refund or, in the case of a credit, to the due date of the amount against which the credit is allowed, but in the case of a voluntary and unrequested payment in excess of actual tax liability or a refund under section 77-2708.01, no interest shall be allowed when such excess is refunded or credited.

(h) No suit or proceeding shall be maintained in any court for the recovery of any amount alleged to have been erroneously or illegally determined or collected unless a claim for refund or credit has been duly filed.

(i) The Tax Commissioner may recover any refund or part thereof which is erroneously made and any credit or part thereof which is erroneously allowed by issuing a deficiency determination within one year from the date of refund or credit or within the period otherwise allowed for issuing a deficiency determination, whichever expires later.

(j) Credit shall be allowed to the retailer, contractor, or repairperson for sales or use taxes paid pursuant to the Nebraska Revenue Act of 1967 on:

(i) Sales represented by that portion of an account determined to be worthless and actually charged off for federal income tax purposes. If such accounts are thereafter collected by the retailer, contractor, or repairperson, a tax shall be paid upon the amount so collected; or

(ii) The portion of the purchase price remaining unpaid at the time of a repossession made under the terms of a conditional sales contract.

Sec. 8. Section 77-2794, Revised Statutes Supplement, 1994, is amended to read:

77-2794. (1) Under regulations prescribed by the Tax Commissioner interest shall be allowed and paid at the rate specified in section 45-104.02, as such rate may from time to time be adjusted, upon any overpayment in respect to the income tax imposed by the Nebraska Revenue Act of 1967.

(2) For purposes of this section:

(a) The date of overpayment shall be the last day prescribed for filing the original return of such tax;

(b) Any return filed before the last day prescribed for the filing thereof shall be considered as filed on such last day determined without regard to any extension of time granted the taxpayer;

(c) Any tax paid by the taxpayer before the last day prescribed for its payment, any income tax withheld from the taxpayer during any calendar year, and any amount paid by the taxpayer as estimated income tax for a taxable year shall be deemed to have been paid on the last day prescribed for filing the return for the taxable year to which such amount constitutes a credit or payment, determined without regard to any extension of time granted the taxpayer;

(d) Beginning May 17, 1993, if If at the time an overpayment is to be refunded, the taxpayer also has a reported underpayment of the same tax in another year: (i) If the overpayment is for a taxable year ending before the year of underpayment, the overpayment shall be applied to reduce such underpayment as of the last day prescribed for filing the original return of such tax for the year of underpayment; ~~or~~ (ii) if the overpayment is for a taxable year ending after the year of underpayment, the overpayment shall be applied to reduce such underpayment as of the last day prescribed for filing the original return of such tax for the year of overpayment; or (iii) if the overpayment is one for which interest is not allowed under this section, the overpayment shall be applied as of the date of the filing of the claim for refund; and interest shall be allowed for any remaining overpayment as provided in subdivision (a) of this subsection; and

(e) Beginning May 17, 1993, the The period of overpayment during which interest shall be allowed shall not include any period during which the overpayment continued due to the unreasonable delay by the taxpayer in filing the claim for refund. For this purpose, the burden of proof shall be on the

taxpayer to show that a delay of more than ninety days after all of the facts required to prepare a correct claim for refund are available is not unreasonable.

(3) If any overpayment of income tax imposed by the Nebraska Revenue Act of 1967 is refunded within ninety days after the last date prescribed, or permitted by extension of time, for filing the return of such tax or within ninety days after any original return, and any amended return filed to carry back a loss was filed, whichever is later, no interest shall be allowed under this section on overpayment. In the case of amended returns filed for any reason other than to carry back a loss, interest shall be allowed as provided in subsection (1) of this section.
