~~(15)~~ (a) (16) (a) The purpose of this subsection is to set forth

the state's policy for the protection of the confidentiality rights of all participants in the system operated pursuant to the streamlined sales and use tax agreement and of the privacy interests of consumers who deal with model 1 sellers.

(i) Anonymous data means information that does not identify a person;

(ii) Confidential taxpayer information means all information that is protected under a member state's laws, regulations, and privileges; and

(iii) Personally identifiable information means information that identifies a person.

(c) The state agrees that a fundamental precept for model 1 sellers is to preserve the privacy of consumers by protecting their anonymity. With very limited exceptions, a certified service provider shall perform its tax calculation, remittance, and reporting functions without retaining the personally identifiable information of consumers.

(d) The governing board of the member states in the streamlined sales and use tax agreement may certify a certified service provider only if that certified service provider certifies that:

(i) Its system has been designed and tested to ensure that the fundamental precept of anonymity is respected;

(ii) Personally identifiable information is only used and retained to the extent necessary for the administration of model 1 with respect to exempt purchasers;

(iii) It provides consumers clear and conspicuous notice of its information practices, including what information it collects, how it collects the information, how it uses the information, how long, if at all, it retains the information, and whether it discloses the information to member states. Such notice shall be satisfied by a written privacy policy statement accessible by the public on the web site of the certified service provider;

(iv) Its collection, use, and retention of personally identifiable information is limited to that required by the member states to ensure the validity of exemptions from taxation that are claimed by reason of a consumer's status or the intended use of the goods or services purchased; and

(v) It provides adequate technical, physical, and administrative safeguards so as to protect personally identifiable information from unauthorized access and disclosure.

(e) The state shall provide public notification to consumers, including exempt purchasers, of the state's practices relating to the collection, use, and retention of personally identifiable information.

(f) When any personally identifiable information that has been collected and retained is no longer required for the purposes set forth in subdivision ~~(15)(d)(iv)~~ (16)(d)(iv) of this section, such information shall no longer be retained by the member states.

(g) When personally identifiable information regarding an individual is retained by or on behalf of the state, it shall provide reasonable access by such individual to his or her own information in the state's possession and a right to correct any inaccurately recorded information.

(h) If anyone other than a member state, or a person authorized by that state's law or the agreement, seeks to discover personally identifiable information, the state from whom the information is sought should make a reasonable and timely effort to notify the individual of such request.

(i) This privacy policy is subject to enforcement by the Attorney General.

(j) All other laws and regulations regarding the collection, use, and maintenance of confidential taxpayer information remain fully applicable and binding. Without limitation, this subsection does not enlarge or limit the state's authority to:

(i) Conduct audits or other reviews as provided under the agreement and state law;

(ii) Provide records pursuant to the federal Freedom of Information Act, disclosure laws with governmental agencies, or other regulations;

(iii) Prevent, consistent with state law, disclosure of confidential taxpayer information;

(iv) Prevent, consistent with federal law, disclosure or misuse of federal return information obtained under a disclosure agreement with the Internal Revenue Service; and

(v) Collect, disclose, disseminate, or otherwise use anonymous data for governmental purposes.

Sec. 2. Section 77-27,144, Reissue Revised Statutes of Nebraska, is amended to read:

77-27,144 (1) The Tax Commissioner shall collect the tax imposed by

any incorporated municipality concurrently with collection of a state tax in the same manner as the state tax is collected. The Tax Commissioner shall remit monthly the proceeds of the tax to the incorporated municipalities levying the tax, after deducting the amount of refunds made and three percent of the remainder to be credited to the Municipal Equalization Fund.

(2) Deductions for a refund made pursuant to section 77-4105 or 77-5725 shall be delayed for one year after the refund has been made to the taxpayer. The Department of Revenue shall notify the municipality liable for the refund of the pending refund, the amount of the refund, and the month in which the deduction will be made or begin, except that if the amount of a refund claimed under section 77-4105 or 77-5725 exceeds twenty-five percent of the municipality's total sales and use tax receipts, net of any refunds or sales tax collection fees, for the municipality's prior fiscal year, the department shall deduct the refund over the period of one year in equal monthly amounts beginning after the one-year notification period required by this subsection. This subsection applies to refunds owed by cities of the first class, cities of the second class, and villages. This subsection applies beginning January 1, 2014.

(3) The Tax Commissioner shall keep full and accurate records of all money received and distributed under the provisions of the Local Option Revenue Act. When proceeds of a tax levy are received but the identity of the incorporated municipality which levied the tax is unknown and is not identified within six months after receipt, the amount shall be credited to the Municipal Equalization Fund. The municipality may request the names and addresses of the retailers which have collected the tax as provided in subsection (13) of section 77-2711 and may certify a municipal employee to request and review confidential sales tax returns and sales tax return information as provided in subsection (14) of section 77-2711.

Sec. 3. Original section 77-27,144, Reissue Revised Statutes of Nebraska, and section 77-2711, Revised Statutes Cumulative Supplement, 2010, are repealed.
