LEGISLATIVE BILL 426

Approved by the Governor March 20, 2013

Introduced by Howard, 9.

FOR AN ACT relating to insurance; to amend sections 44-1090, 44-6007.02, 44-6008, 44-6009, 44-6015, and 44-6016, Reissue Revised Statutes of Nebraska; to change provisions relating to fraternal benefit societies and risk-based capital; to harmonize provisions; and to repeal the original sections.

Be it enacted by the people of the State of Nebraska,

Section 1. Section 44-1090, Reissue Revised Statutes of Nebraska, is amended to read:

44-1090 (1) Every society authorized to do business in this state shall issue to each owner of a benefit contract a certificate specifying the amount of benefits provided by the contract. The certificate, together with any riders or endorsements attached thereto, the laws of the society, the application for membership, the application for insurance and declaration of insurability, if any, signed by the applicant, and all amendments to each thereof, shall constitute the benefit contract, as of the date of issuance, between the society and the owner, and the certificate shall so state. A copy of the application for insurance and declaration of insurability, if any, shall be endorsed upon or attached to the certificate. All statements on the application shall be representations and not warranties. Any waiver of this subsection shall be void.

(2) Any changes, additions, or amendments to the laws of the society duly made or enacted subsequent to the issuance of the certificate shall bind the owner and the beneficiaries and shall govern and control the benefit contract in all respects the same as though such changes, additions, or amendments had been made prior to and were in force at the time of the application for insurance, except that no change, addition, or amendment shall destroy or diminish benefits which the society contracted to give the owner as of the date of issuance of the contract.

(3) Any person upon whose life a benefit contract is issued prior to attaining the age of majority shall be bound by the terms of the application and certificate and by all the laws and rules of the society to the same extent as though the age of majority had been attained at the time of application.

(4) A society shall provide in its laws that if its reserves as to all or any class of certificates become impaired its board of directors or corresponding body may require that there shall be paid by the owner to the society the amount of the owner's equitable proportion of such deficiency as ascertained by its board and that if the payment is not made either (a) it shall stand as an indebtedness against the certificate and draw interest not to exceed the rate specified for certificate loans under the certificates or (b) in lieu of or in combination with subdivision (a) of this subsection, the owner may accept a proportionate reduction in benefits under the certificate. The society may specify the manner of the election and which alternative is to be presumed if no election is made.

(5) A domestic society may assess owners as described in subsection (4) of this section only after such assessment is filed with the Director of Insurance and approved by him or her. In the case of a foreign or alien society, notice of an assessment shall be provided to the director at least thirty days before the effective date of the assessment. The director shall have the authority to prohibit any foreign or alien society that has assessed its owners from issuing any new contracts of insurance in this state.

~~(5)~~ (6) Copies of any of the documents mentioned in this section, certified by the secretary or corresponding officer of the society, shall be received in evidence of the terms and conditions thereof.

~~(6)~~ (7) No certificate shall be delivered or issued for delivery in this state unless a copy of the form has been filed with the Director of Insurance in the manner provided for like policies issued by life insurers in this state. Every life, accident, health, or disability insurance certificate and every annuity certificate issued on or after one year from September 6, 1985, shall meet the standard contract provision requirements not inconsistent with sections 44-1072 to 44-10,109 for like policies issued by life insurers in this state, except that a society may provide for a grace period for payment of premiums of one full month in its certificates. The certificate shall also contain a provision stating the amount of premiums which are payable under the certificate and a provision reciting or setting forth the

substance of any sections of the society's laws or rules in force at the time of issuance of the certificate which, if violated, will result in the termination or reduction of benefits payable under the certificate. If the laws of the society provide for expulsion or suspension of a member, the certificate shall also contain a provision that any member so expelled or suspended, except for nonpayment of a premium or within the contestable period for material misrepresentation in the application for membership or insurance, shall have the privilege of maintaining the certificate in force by continuing payment of the required premium.

~~(7)~~ (8) Benefit contracts issued on the lives of persons younger than the society's minimum age for adult membership may provide for transfer of control or ownership to the insured at an age specified in the certificate. A society may require approval of an application for membership in order to effect this transfer and may provide in all other respects for the regulation, government, and control of such certificates and all rights, obligations, and liabilities incident thereto and connected therewith. Ownership rights prior to such transfer shall be specified in the certificate.

~~(8)~~ (9) A society may specify the terms and conditions on which benefit contracts may be assigned.

Sec. 2. Section 44-6007.02, Reissue Revised Statutes of Nebraska, is amended to read:

44-6007.02 Health organization means a health maintenance organization, prepaid limited health service organization, prepaid dental service corporation, or other managed care organization. Health organization does not include a life and health insurer, a fraternal benefit society, or a property and casualty insurer as defined in section 44-6008 that is otherwise subject to either life and health or property and casualty risk-based capital requirements.

Sec. 3. Section 44-6008, Reissue Revised Statutes of Nebraska, is amended to read:

44-6008 Insurer means an insurer as defined in section 44-103 authorized to transact the business of insurance, except that insurer does not include health organizations, unincorporated mutual associations, assessment associations, ~~fraternal benefit societies,~~ health maintenance organizations, prepaid dental service corporations, prepaid limited health service organizations, monoline mortgage guaranty insurers, monoline financial guaranty insurers, title insurers, prepaid legal corporations, intergovernmental risk management pools, and any other kind of insurer to which the application of the Insurers and Health Organizations Risk-Based Capital Act, in the determination of the director, would be clearly inappropriate.

Insurer, when referring to life and health insurers, means an insurer authorized to transact life insurance business and sickness and accident insurance business specified in subdivisions (1) through (4) of section 44-201, or any combination thereof, and also includes fraternal benefit societies authorized to transact business specified in sections 44-1072 to 44-10,109.

Insurer, when referring to property and casualty insurers, means an insurer authorized to transact property insurance business and casualty insurance business specified in subdivisions (5) through (14) and (16) through (20) of section 44-201, or any combination thereof, and also includes an insurer authorized to transact insurance business specified in subdivision (4) of section 44-201 if also authorized to transact insurance business specified in subdivisions (5) through (14) and (16) through (20) of section 44-201.

Sec. 4. Section 44-6009, Reissue Revised Statutes of Nebraska, is amended to read:

44-6009 Negative trend, with respect to a life and health insurer or a fraternal benefit society, means a negative trend over a period of time, as determined in accordance with the trend test calculation included in the life risk-based capital instructions.

Sec. 5. Section 44-6015, Reissue Revised Statutes of Nebraska, is amended to read:

44-6015 (1) Every domestic insurer or domestic health organization shall annually, on or prior to March 1, referred to in this section as the filing date, prepare and submit to the director a risk-based capital report of its risk-based capital levels as of the end of the calendar year just ended, in a form and containing such information as is required by the risk-based capital instructions. In addition, every domestic insurer or domestic health organization shall file its risk-based capital report:

(a) With the National Association of Insurance Commissioners in accordance with the risk-based capital instructions; and

(b) With the insurance commissioner in any state in which the

insurer or health organization is authorized to do business if such insurance commissioner has notified the insurer or health organization of its request in writing, in which case the insurer or health organization shall file its risk-based capital report not later than the later of:

(i) Fifteen days after the receipt of notice to file its risk-based capital report with such state; or

(ii) The filing date.

(2) A life and health insurer's or a fraternal benefit society's risk-based capital shall be determined in accordance with the formula set forth in the risk-based capital instructions. The formula shall take into account and may adjust for the covariance between:

(a) The risk with respect to the insurer's assets;

(b) The risk of adverse insurance experience with respect to the insurer's liabilities and obligations;

(c) The interest rate risk with respect to the insurer's business; and

(d) All other business risks and such other relevant risks as are set forth in the risk-based capital instructions.

Such risks shall be determined in each case by applying the factors in the manner set forth in the risk-based capital instructions.

(3) A property and casualty insurer's risk-based capital shall be determined in accordance with the formula set forth in the risk-based capital instructions. The formula shall take into account and may adjust for the covariance between:

(a) Asset risk;

(b) Credit risk;

(c) Underwriting risk; and

(d) All other business risks and such other relevant risks as are set forth in the risk-based capital instructions.

Such risks shall be determined in each case by applying the factors in the manner set forth in the risk-based capital instructions.

(4) A health organization's risk-based capital shall be determined in accordance with the formula set forth in the risk-based capital instructions. The formula shall take into account and may adjust for the covariance between:

(a) Asset risk;

(b) Credit risk;

(c) Underwriting risk; and

(d) All other business risks and such other relevant risks as are set forth in the risk-based capital instructions.

Such risks shall be determined in each case by applying the factors in the manner set forth in the risk-based capital instructions.

(5) An excess of capital over the amount produced by the risk-based capital requirements contained in the Insurers and Health Organizations Risk-Based Capital Act and the formulas, schedules, and instructions referenced in the act is desirable in the business of insurance. Accordingly, insurers and health organizations should seek to maintain capital above the risk-based capital levels required by the act. Additional capital is used and useful in the insurance business and helps to secure an insurer or a health organization against various risks inherent in, or affecting, the business of insurance and not accounted for or only partially measured by the risk-based capital requirements contained in the act.

(6) If a domestic insurer or a domestic health organization files a risk-based capital report which in the judgment of the director is inaccurate, the director shall adjust the risk-based capital report to correct the inaccuracy and shall notify the insurer or health organization of the adjustment. The notice shall contain a statement of the reason for the adjustment.

Sec. 6. Section 44-6016, Reissue Revised Statutes of Nebraska, is amended to read:

44-6016 (1) Company action level event means any of the following events:

(a) The filing of a risk-based capital report by an insurer or a health organization which indicates that:

(i) The insurer's or health organization's total adjusted capital is greater than or equal to its regulatory action level risk-based capital but less than its company action level risk-based capital;

(ii) If a life and health insurer or a fraternal benefit society, the insurer or society has total adjusted capital which is greater than or equal to its company action level risk-based capital but less than the product of its authorized control level risk-based capital and 2.5 and has a negative trend; or

(iii) If a property and casualty insurer, the insurer has total adjusted capital which is greater than or equal to its company action level risk-based capital but less than the product of its authorized control level risk-based capital and 3.0 and triggers the trend test determined in accordance with the trend test calculation included in the property and casualty risk-based capital instructions;

(b) The notification by the director to the insurer or health organization of an adjusted risk-based capital report that indicates an event described in subdivision (1)(a) of this section unless the insurer or health organization challenges the adjusted risk-based capital report under section 44-6020; or

(c) If, pursuant to section 44-6020, the insurer or health organization challenges an adjusted risk-based capital report that indicates an event described in subdivision (1)(a) of this section, the notification by the director to the insurer or health organization that the director has, after a hearing, rejected the insurer's or health organization's challenge.

(2) In the event of a company action level event, the insurer or health organization shall prepare and submit to the director a risk-based capital plan which shall:

(a) Identify the conditions which contribute to the company action level event;

(b) Contain proposals of corrective actions which the insurer or health organization intends to take and would be expected to result in the elimination of the company action level event;

(c) Provide projections of the insurer's or health organization's financial results in the current year and at least the four succeeding years in the case of an insurer or at least the two succeeding years in the case of a health organization, both in the absence of proposed corrective actions and giving effect to the proposed corrective actions, including projections of statutory balance sheets, operating income, net income, capital and surplus, and risk-based capital levels. The projections for both new and renewal business may include separate projections for each major line of business and separately identify each significant income, expense, and benefit component;

(d) Identify the key assumptions impacting the insurer's or health organization's projections and the sensitivity of the projections to the assumptions; and

(e) Identify the quality of, and problems associated with, the insurer's or health organization's business, including, but not limited to, its assets, anticipated business growth and associated surplus strain, extraordinary exposure to risk, and mix of business and use of reinsurance, if any, in each case.

(3) The risk-based capital plan shall be submitted:

(a) Within forty-five days after the occurrence of the company action level event; or

(b) If the insurer or health organization challenges an adjusted risk-based capital report pursuant to section 44-6020, within forty-five days after the notification to the insurer or health organization that the director has, after a hearing, rejected the insurer's or health organization's challenge.

(4) Within sixty days after the submission by an insurer or a health organization of a risk-based capital plan to the director, the director shall notify the insurer or health organization whether the risk-based capital plan shall be implemented or is, in the judgment of the director, unsatisfactory. If the director determines that the risk-based capital plan is unsatisfactory, the notification to the insurer or health organization shall set forth the reasons for the determination and may set forth proposed revisions which will render the risk-based capital plan satisfactory in the judgment of the director. Upon notification from the director, the insurer or health organization shall prepare a revised risk-based capital plan which may incorporate by reference any revisions proposed by the director. The insurer or health organization shall submit the revised risk-based capital plan to the director:

(a) Within forty-five days after the notification from the director; or

(b) If the insurer or health organization challenges the notification from the director under section 44-6020, within forty-five days after a notification to the insurer or health organization that the director has, after a hearing, rejected the insurer's or health organization's challenge.

(5) In the event of a notification by the director to an insurer or a health organization that the insurer's or health organization's risk-based capital plan or revised risk-based capital plan is unsatisfactory, the

director may, at the director's discretion and subject to the insurer's or health organization's right to a hearing under section 44-6020, specify in the notification that the notification constitutes a regulatory action level event.

(6) Every domestic insurer or domestic health organization that files a risk-based capital plan or revised risk-based capital plan with the director shall file a copy of the risk-based capital plan or revised risk-based capital plan with the insurance commissioner of any state in which the insurer or health organization is authorized to do business if:

(a) Such state has a law substantially similar to subsection (1) of section 44-6021; and

(b) The insurance commissioner of such state has notified the insurer or health organization of its request for the filing in writing, in which case the insurer or health organization shall file a copy of the risk-based capital plan or revised risk-based capital plan in such state no later than the later of:

(i) Fifteen days after the receipt of notice to file a copy of its risk-based capital plan or revised risk-based capital plan with the state; or

(ii) The date on which the risk-based capital plan or revised risk-based capital plan is filed under subsection (3) or (4) of this section.

Sec. 7. Original sections 44-1090, 44-6007.02, 44-6008, 44-6009, 44-6015, and 44-6016, Reissue Revised Statutes of Nebraska, are repealed.
