

LEGISLATIVE BILL 668

Approved by the Governor February 14, 2018

Introduced by Executive Board: Watermeier, 1, Chairperson.

A BILL FOR AN ACT relating to schools; to eliminate inconsistent language; to amend section 79-237, Revised Statutes Supplement, 2017; and to repeal the original section.

Be it enacted by the people of the State of Nebraska,

Section 1. Section 79-237, Revised Statutes Supplement, 2017, is amended to read:

79-237 (1) For a student to begin attendance as an option student in an option school district ~~in which the student resides~~, the student's parent or legal guardian shall submit an application to the school board of the option school district between September 1 and March 15 for attendance during the following and subsequent school years. Except as provided in subsection (2) of this section, applications submitted after March 15 shall contain a release approval from the resident school district on the application form prescribed and furnished by the State Department of Education pursuant to subsection (8) of this section. A district may not accept or approve any applications submitted after such date without such a release approval. The option school district shall provide the resident school district with the name of the applicant on or before April 1 or, in the case of an application submitted after March 15, within sixty days after submission. The option school district shall notify, in writing, the parent or legal guardian of the student and the resident school district whether the application is accepted or rejected on or before April 1 or, in the case of an application submitted after March 15, within sixty days after submission. An option school district that is a member of a learning community may not approve an application pursuant to this section for a student who resides in such learning community to attend prior to school year 2017-18.

(2) A student who relocates to a different resident school district after February 1 or whose option school district merges with another district effective after February 1 may submit an application to the school board of an option school district for attendance during the current or immediately following and subsequent school years unless the applicant is a resident of a learning community and the application is for attendance to begin prior to school year 2017-18 in an option school district that is also a member of such learning community. Such application does not require the release approval of the resident school district. The option school district shall accept or reject such application within forty-five days.

(3) A parent or guardian may provide information on the application for an option school district that is a member of a learning community regarding the applicant's potential qualification for free or reduced-price lunches. Any such information provided shall be subject to verification and shall only be used for the purposes of subsection (4) of section 79-238. Nothing in this subsection requires a parent or guardian to provide such information. Determinations about an applicant's qualification for free or reduced-price lunches for purposes of subsection (4) of section 79-238 shall be based on any verified information provided on the application. If no such information is provided, the student shall be presumed not to qualify for free or reduced-price lunches for the purposes of subsection (4) of section 79-238.

(4) Applications for students who do not actually attend the option school district may be withdrawn in good standing upon mutual agreement by both the resident and option school districts.

(5) No option student shall attend an option school district for less than one school year unless the student relocates to a different resident school district, completes requirements for graduation prior to the end of his or her senior year, transfers to a private or parochial school, or upon mutual agreement of the resident and option school districts cancels the enrollment option and returns to the resident school district.

(6) Except as provided in subsection (5) of this section or, for open enrollment option students, in section 79-235.01, the option student shall attend the option school district until graduation unless the student relocates in a different resident school district, transfers to a private or parochial school, or chooses to return to the resident school district.

(7) In each case of cancellation pursuant to subsections (5) and (6) of this section, the student's parent or legal guardian shall provide written notification to the school board of the option school district and the resident school district on forms prescribed and furnished by the department under subsection (8) of this section in advance of such cancellation.

(8) The application and cancellation forms shall be prescribed and furnished by the State Department of Education.

(9) An option student who subsequently chooses to attend a private or parochial school and who is not an open enrollment option student shall be automatically accepted to return to either the resident school district or option school district upon the completion of the grade levels offered at the

private or parochial school. If such student chooses to return to the option school district, the student's parent or legal guardian shall submit another application to the school board of the option school district which shall be automatically accepted, and the deadlines prescribed in this section shall be waived.

Sec. 2. Original section 79-237, Revised Statutes Supplement, 2017, is repealed.
