Sec. 2. Section 43-250, Reissue Revised Statutes of Nebraska, is amended to read:

43-250 (1) A peace officer who takes a juvenile into temporary custody under section 29-401 or subdivision (1), (4), ~~or (5), or (8)~~ of section 43-248 shall immediately take reasonable measures to notify the juvenile's parent, guardian, custodian, or relative and shall proceed as follows:

The notice shall also contain a concise statement of the reasons such juvenile was taken into custody. The peace officer shall deliver one copy of the notice to such juvenile and require such juvenile or his or her parent, guardian, other custodian, or relative, or both, to sign a written promise that such signer will appear at the time and place designated in the notice. Upon the execution of the promise to appear,

the peace officer shall immediately release such juvenile. The peace officer shall, as soon as practicable, file one copy of the notice with the county attorney or city attorney and, when required by the court, also file a copy of the notice with the court or the officer appointed by the court for such purpose; or

(c) The peace officer may retain temporary custody of a juvenile taken into temporary custody under section 29-401 or subdivision (1), (4), or (5) of section 43-248 and deliver the juvenile, if necessary, to the probation officer and communicate all relevant available information regarding such juvenile to the probation officer. The probation officer shall determine the need for detention of the juvenile as provided in section 43-260.01. Upon determining that the juvenile should be placed in detention or an alternative to detention and securing placement in such setting by the probation officer, the peace officer shall implement the probation officer's decision to release or to detain and place the juvenile. When secure detention of a juvenile is necessary, such detention shall occur within a juvenile detention facility except:

(i) When a juvenile described in subdivision (1) or (2) of section 43-247, except for a status offender, is taken into temporary custody within a metropolitan statistical area and where no juvenile detention facility is reasonably available, the juvenile may be delivered, for temporary custody not to exceed six hours, to a secure area of a jail or other facility intended or used for the detention of adults solely for the purposes of identifying the juvenile and ascertaining his or her health and well-being and for safekeeping while awaiting transport to an appropriate juvenile placement or release to a responsible party;

(ii) When a juvenile described in subdivision (1) or (2) of section 43-247, except for a status offender, is taken into temporary custody outside of a metropolitan statistical area and where no juvenile detention facility is reasonably available, the juvenile may be delivered, for temporary custody not to exceed twenty-four hours excluding nonjudicial days and while awaiting an initial court appearance, to a secure area of a jail or other facility intended or used for the detention of adults solely for the purposes of identifying the juvenile and ascertaining his or her health and well-being and for safekeeping while awaiting transport to an appropriate juvenile placement or release to a responsible party;

(iii) Whenever a juvenile is held in a secure area of any jail or other facility intended or used for the detention of adults, there shall be no verbal, visual, or physical contact between the juvenile and any incarcerated adult and there shall be adequate staff to supervise and monitor the juvenile's activities at all times. This subdivision shall not apply to a juvenile charged with a felony as an adult in county or district court if he or she is sixteen years of age or older;

(iv) If a juvenile is under sixteen years of age or is a juvenile as described in subdivision (3) of section 43-247, he or she shall not be placed within a secure area of a jail or other facility intended or used for the detention of adults;

(v) If, within the time limits specified in subdivision (1)(c)(i) or (1)(c)(ii) of this section, a felony charge is filed against the juvenile as an adult in county or district court, he or she may be securely held in a jail or other facility intended or used for the detention of adults beyond the specified time limits;

(vi) A status offender or nonoffender taken into temporary custody shall not be held in a secure area of a jail or other facility intended or used for the detention of adults. Until January 1, 2013, a status offender accused of violating a valid court order may be securely detained in a juvenile detention facility longer than twenty-four hours if he or she is afforded a detention hearing before a court within twenty-four hours, excluding nonjudicial days, and if, prior to a dispositional commitment to secure placement, a public agency, other than a court or law enforcement agency, is afforded an opportunity to review the juvenile's behavior and possible alternatives to secure placement and has submitted a written report to the court; and

(vii) A juvenile described in subdivision (1) or (2) of section 43-247, except for a status offender, may be held in a secure area of a jail or other facility intended or used for the detention of adults for up to six hours before and six hours after any court appearance.

(2) When a juvenile is taken into temporary custody pursuant to subdivision (2), (7), or (8) of section 43-248, and not released under subdivision (1)(a) of this section, the peace officer shall deliver the custody of such juvenile to the Department of Health and Human Services which shall make a temporary placement of the juvenile in the least restrictive environment consistent with the best interests of the juvenile as determined by the department. The department shall supervise such placement and, if necessary, consent to any necessary emergency medical, psychological, or psychiatric treatment for such juvenile. The department shall have no other authority with regard to such temporary custody until or unless there is an order by the court placing the juvenile in the custody of the department. If the peace officer delivers temporary custody of the juvenile pursuant to this subsection, the peace officer shall make a full written report to the county attorney within twenty-four hours of taking such juvenile into temporary custody. If a court order of temporary custody is not issued within forty-eight hours of taking the juvenile into custody, the temporary custody by the department shall terminate and the juvenile shall be returned to the custody of his or her parent,

guardian, custodian, or relative.

(3) If the peace officer takes the juvenile into temporary custody pursuant to subdivision (3) of section 43-248, the peace officer may place the juvenile at a mental health facility for evaluation and emergency treatment or may deliver the juvenile to the Department of Health and Human Services as provided in subsection (2) of this section. At the time of the admission or turning the juvenile over to the department, the peace officer responsible for taking the juvenile into custody pursuant to subdivision (3) of section 43-248 shall execute a written certificate as prescribed by the Department of Health and Human Services which will indicate that the peace officer believes the juvenile to be mentally ill and dangerous, a summary of the subject's behavior supporting such allegations, and that the harm described in section 71-908 is likely to occur before proceedings before a juvenile court may be invoked to obtain custody of the juvenile. A copy of the certificate shall be forwarded to the county attorney. The peace officer shall notify the juvenile's parents, guardian, custodian, or relative of the juvenile's placement.

(4) When a juvenile is taken into temporary custody pursuant to subdivision (6) of section 43-248, the peace officer shall deliver the juvenile to the enrolled school of such juvenile.

(5) A juvenile taken into custody pursuant to a legal warrant of arrest shall be delivered to a probation officer who shall determine the need for detention of the juvenile as provided in section 43-260.01. If detention is not required, the juvenile may be released without bond if such release is in the best interests of the juvenile, the safety of the community is not at risk, and the court that issued the warrant is notified that the juvenile had been taken into custody and was released.

(6) In determining the appropriate temporary placement or alternative to detention of a juvenile under this section, the peace officer shall select the placement or alternative which is least restrictive of the juvenile's freedom so long as such placement or alternative is compatible with the best interests of the juvenile and the safety of the community. Any alternative to detention shall cause the least restriction of the juvenile's freedom of movement consistent with the best interest of the juvenile and the safety of the community.

Sec. 3. Section 43-251.01, Reissue Revised Statutes of Nebraska, is amended to read:

43-251.01 All placements and commitments of juveniles for evaluations or as temporary or final dispositions are subject to the following:

(1) No juvenile shall be confined in an adult correctional facility as a disposition of the court;

(2) A juvenile who is found to be a juvenile as described in subdivision (3) of section 43-247 shall not be placed in an adult correctional facility, the secure youth confinement facility operated by the Department of Correctional Services, or a youth rehabilitation and treatment center or committed to the Office of Juvenile Services;

(b) On and after July 1, 2019:

(i) A juvenile shall not be detained unless the physical safety of persons in the community would be seriously threatened or detention is necessary to secure the presence of the juvenile at the next hearing, as evidenced by a demonstrable record of willful failure to appear at a scheduled court hearing within the last twelve months;

(ii) A child twelve years of age or younger shall not be placed in detention under any circumstances; and

(iii) A juvenile shall not be placed into detention:

(A) To allow a parent or guardian to avoid his or her legal responsibility;

(B) To punish, treat, or rehabilitate such juvenile;

(C) To permit more convenient administrative access to such juvenile;

(D) To facilitate further interrogation or investigation; or

(E) Due to a lack of more appropriate facilities;

(6) A juvenile alleged to be a juvenile as described in subdivision (3) of section 43-247 shall not be placed in a juvenile detention facility, including a wing labeled as staff secure at such facility, unless the designated staff secure portion of the facility fully complies with subdivision (5) of section 83-4,125 and the ingress and egress to the facility are restricted solely through staff supervision; and

(7) A juvenile alleged to be a juvenile as described in subdivision (1), (2), (3)(b), or (4) of section 43-247 shall not be placed out of his or her home as a dispositional order of the court unless:

(b) Maintaining the juvenile in the home presents a significant risk of harm to the juvenile or community.

Sec. 4. Section 43-251.02, Reissue Revised Statutes of Nebraska, is amended to read:

43-251.02 A peace officer, upon making contact with a child ~~who has not committed a criminal offense but who appears to be a juvenile as described in subdivision (3)(b) of section 43-247~~ and who is in need of assistance, may refer the child and child's parent or parents or guardian to a clinically credentialed community-based provider for immediate crisis intervention, de-escalation, and respite care services.

Sec. 5. Section 43-253, Revised Statutes Supplement, 2017, is amended to read:

43-253 (1) Upon delivery to the probation officer of a juvenile who has been taken into temporary custody under section 29-401, 43-248, or 43-250, the probation officer shall immediately investigate the situation of the juvenile and the nature and circumstances of the events surrounding his or her being taken into custody. Such investigation may be by informal means when appropriate.

(2) The probation officer's decision to release the juvenile from custody or place the juvenile in detention or an alternative to detention shall be based upon the results of the standardized juvenile detention screening instrument described in section 43-260.01.

(3) No juvenile who has been taken into temporary custody under subdivision (1)(c) of section 43-250 or subsection (6) of section 43-286.01 or pursuant to an alleged violation of an order for conditional release shall be detained in any detention facility or be subject to an alternative to detention infringing upon the juvenile's liberty interest for longer than twenty-four hours, excluding nonjudicial days, after having been taken into custody unless such juvenile has appeared personally before a court of competent jurisdiction for a hearing to determine if continued detention, services, or supervision is necessary. The juvenile shall be represented by counsel at the hearing. Whether such counsel shall be provided at the cost of the county shall be determined as provided in subsection (1) of section 43-272. If continued secure detention is ordered, such detention shall be in a juvenile detention facility, except that a juvenile charged with a felony as an adult in county or district court may be held in an adult jail as set forth in subdivision (1)(c)(v) of section 43-250. A juvenile placed in an alternative to detention, but not in detention, may waive this hearing through counsel.

(4) When the probation officer deems it to be in the best interests of the juvenile, the probation officer shall immediately release such juvenile to the custody of his or her parent. If the juvenile has both a custodial and a noncustodial parent and the probation officer deems that release of the juvenile to the custodial parent is not in the best interests of the juvenile, the probation officer shall, if it is deemed to be in the best interests of the juvenile, attempt to contact the noncustodial parent, if any, of the juvenile and to release the juvenile to such noncustodial parent. If such release is not possible or not deemed to be in the best interests of the juvenile, the probation officer may release the juvenile to the custody of a legal guardian, a responsible relative, or another responsible person.

(5) The court may admit such juvenile to bail by bond in such amount and on such conditions and security as the court, in its sole discretion, shall determine, or the court may proceed as provided in section 43-254. In no case shall the court or probation officer release such juvenile if it appears that:

(a) Before July 1, 2019, further detention or placement of such juvenile is a matter of immediate and urgent necessity for the protection of such juvenile or the person or property of another or if it appears that such juvenile is likely to flee the jurisdiction of the court; and -

(b) On or after July 1, 2019, the physical safety of persons in the community would be seriously threatened or that detention is necessary to secure the presence of the juvenile at the next hearing, as evidenced by a demonstrable record of willful failure to appear at a scheduled court hearing within the last twelve months.

Sec. 6. Section 43-260.01, Reissue Revised Statutes of Nebraska, is amended to read:

43-260.01 The need for preadjudication placement, services, or supervision and the need for detention of a juvenile and whether detention or an alternative to detention is indicated shall be subject to subdivision (5) of section 43-251.01 and shall ~~may~~ be determined as follows:

(1) The standardized juvenile detention screening instrument shall be used to evaluate the juvenile;

(2) If the results indicate that detention is not required, the juvenile shall be released without restriction or released to an alternative to detention; and

(3) If the results indicate that detention is required, detention shall be pursued.

Sec. 7. Section 43-286, Revised Statutes Supplement, 2017, is amended to read:

43-286 (1) When any juvenile is adjudicated to be a juvenile described in subdivision (1), (2), or (4) of section 43-247:

(a)(i) This subdivision applies until October 1, 2013. The court may continue the dispositional portion of the hearing, from time to time upon such terms and conditions as the court may prescribe, including an order of restitution of any property stolen or damaged or an order requiring the

juvenile to participate in community service programs, if such order is in the interest of the juvenile's reformation or rehabilitation, and, subject to the further order of the court, may:

(A) Place the juvenile on probation subject to the supervision of a probation officer;

(B) Permit the juvenile to remain in his or her own home or be placed in a suitable family home, subject to the supervision of the probation officer; or

(C) Cause the juvenile to be placed in a suitable family home or institution, subject to the supervision of the probation officer. If the court has committed the juvenile to the care and custody of the Department of Health and Human Services, the department shall pay the costs of the suitable family home or institution which are not otherwise paid by the juvenile's parents.

Under subdivision (1)(a)(i) of this section, upon a determination by the court that there are no parental, private, or other public funds available for the care, custody, and maintenance of a juvenile, the court may order a reasonable sum for the care, custody, and maintenance of the juvenile to be paid out of a fund which shall be appropriated annually by the county where the petition is filed until a suitable provision may be made for the juvenile without such payment.

(ii) This subdivision applies beginning October 1, 2013. The court may continue the dispositional portion of the hearing, from time to time upon such terms and conditions as the court may prescribe, including an order of restitution of any property stolen or damaged or an order requiring the juvenile to participate in community service programs, if such order is in the interest of the juvenile's reformation or rehabilitation, and, subject to the further order of the court, may:

(A) Place the juvenile on probation subject to the supervision of a probation officer; or

(B) Permit the juvenile to remain in his or her own home or be placed in a suitable family home or institution, subject to the supervision of the probation officer;

(b)(i) This subdivision applies to all juveniles committed to the Office of Juvenile Services prior to July 1, 2013. The court may commit such juvenile to the Office of Juvenile Services, but a juvenile under the age of fourteen years shall not be placed at the Youth Rehabilitation and Treatment Center-Geneva or the Youth Rehabilitation and Treatment Center-Kearney unless he or she has violated the terms of probation or has committed an additional offense and the court finds that the interests of the juvenile and the welfare of the community demand his or her commitment. This minimum age provision shall not apply if the act in question is murder or manslaughter.

(ii) This subdivision applies to all juveniles committed to the Office of Juvenile Services for placement at a youth rehabilitation and treatment center on or after July 1, 2013.

When it is alleged that the juvenile has exhausted all levels of probation supervision and options for community-based services and section 43-251.01 has been satisfied, a motion for commitment to a youth rehabilitation and treatment center may be filed and proceedings held as follows:

(A) The motion shall set forth specific factual allegations that support the motion and a copy of such motion shall be served on all persons required to be served by sections 43-262 to 43-267; and

(B) The juvenile shall be entitled to a hearing before the court to determine the validity of the allegations. At such hearing the burden is upon the state by a preponderance of the evidence to show that:

(I) All levels of probation supervision have been exhausted;

(II) All options for community-based services have been exhausted; and

(III) Placement at a youth rehabilitation and treatment center is a matter of immediate and urgent necessity for the protection of the juvenile or the person or property of another or if it appears that such juvenile is likely to flee the jurisdiction of the court.

After the hearing, the court may commit such juvenile to the Office of Juvenile Services for placement at a youth rehabilitation and treatment center as a condition of an order of intensive supervised probation. Upon commitment by the court to the Office of Juvenile Services, the court shall immediately notify the Office of Juvenile Services of the commitment. Intensive supervised probation for purposes of this subdivision means that the Office of Juvenile Services shall be responsible for the care and custody of the juvenile until the Office of Juvenile Services discharges the juvenile from commitment to the Office of Juvenile Services. Upon discharge of the juvenile, the court shall hold a review hearing on the conditions of probation and enter any order allowed under subdivision (1)(a) of this section.

The Office of Juvenile Services shall notify those required to be served by sections 43-262 to 43-267, all interested parties, and the committing court of the pending discharge of a juvenile from the youth rehabilitation and treatment center sixty days prior to discharge and again in every case not less than thirty days prior to discharge. Upon notice of pending discharge by the Office of Juvenile Services, the court shall set a continued disposition hearing in anticipation of reentry. The Office of Juvenile Services shall work in collaboration with the Office of Probation Administration in developing an individualized reentry plan for the juvenile as provided in section 43-425. The Office of Juvenile Services shall provide a copy of the individualized reentry plan to the juvenile, the juvenile's attorney, and the county attorney or city attorney prior to the continued disposition hearing. At the continued disposition hearing, the court shall review and approve or modify the

individualized reentry plan, place the juvenile under probation supervision, and enter any other order allowed by law. No hearing is required if all interested parties stipulate to the individualized reentry plan by signed motion. In such a case, the court shall approve the conditions of probation, approve the individualized reentry plan, and place the juvenile under probation supervision.

The Office of Juvenile Services is responsible for transportation of the juvenile to and from the youth rehabilitation and treatment center. The Office of Juvenile Services may contract for such services. A plan for a juvenile's transport to return to the community shall be a part of the individualized reentry plan. The Office of Juvenile Services may approve family to provide such transport when specified in the individualized reentry plan; or

(c) Beginning July 1, 2013, and until October 1, 2013, the court may commit such juvenile to the Office of Juvenile Services for community supervision.

(2) When any juvenile is found by the court to be a juvenile described in subdivision (3)(b) of section 43-247, the court may enter such order as it is empowered to enter under subdivision (1)(a) of this section or until October 1, 2013, enter an order committing or placing the juvenile to the care and custody of the Department of Health and Human Services.

(3) When any juvenile is adjudicated to be a juvenile described in subdivision (1), (2), (3)(b), or (4) of section 43-247 because of a nonviolent act or acts and the juvenile has not previously been adjudicated to be such a juvenile because of a violent act or acts, the court may, with the agreement of the victim, order the juvenile to attend juvenile offender and victim mediation with a mediator or at an approved center selected from the roster made available pursuant to section 25-2908.

(4) When a juvenile is placed on probation and a probation officer has reasonable cause to believe that such juvenile has committed a violation of a condition of his or her probation, the probation officer shall take appropriate measures as provided in section 43-286.01.

(5)(a) When a juvenile is placed on probation or under the supervision of the court and it is alleged that the juvenile is again a juvenile described in subdivision (1), (2), (3)(b), or (4) of section 43-247, a petition may be filed and the same procedure followed and rights given at a hearing on the original petition. If an adjudication is made that the allegations of the petition are true, the court may make any disposition authorized by this section for such adjudications and the county attorney may file a motion to revoke the juvenile's probation.

(b) When a juvenile is placed on probation or under the supervision of the court for conduct under subdivision (1), (2), (3)(b), or (4) of section 43-247 and it is alleged that the juvenile has violated a term of probation or supervision or that the juvenile has violated an order of the court, a motion to revoke probation or supervision or to change the disposition may be filed and proceedings held as follows:

(i) The motion shall set forth specific factual allegations of the alleged violations and a copy of such motion shall be served on all persons required to be served by sections 43-262 to 43-267;

(ii) The juvenile shall be entitled to a hearing before the court to determine the validity of the allegations. At such hearing the juvenile shall be entitled to those rights relating to counsel provided by section 43-272 and those rights relating to detention provided by sections 43-254 to 43-256. The juvenile shall also be entitled to speak and present documents, witnesses, or other evidence on his or her own behalf. He or she may confront persons who have given adverse information concerning the alleged violations, may cross-examine such persons, and may show that he or she did not violate the conditions of his or her probation or supervision or an order of the court or, if he or she did, that mitigating circumstances suggest that the violation does not warrant revocation of probation or supervision or a change of disposition. The hearing shall be held within a reasonable time after the juvenile is taken into custody;

(iii) The hearing shall be conducted in an informal manner and shall be flexible enough to consider evidence, including letters, affidavits, and other material, that would not be admissible in an adversarial criminal trial;

(iv) The juvenile shall not be confined, detained, or otherwise significantly deprived of his or her liberty pursuant to the filing of a motion described in this section unless the requirements of subdivision (5) of section 43-251.01 and section 43-260.01 have been met. In all cases when the requirements of subdivision (5) of section 43-251.01 and section 43-260.01 have been met and the juvenile is confined, detained, or otherwise significantly deprived of his or her liberty as a result of his or her alleged violation of probation, supervision, or a court order, the juvenile shall be given a preliminary hearing. ~~Such preliminary hearing shall be held before an impartial person other than his or her probation officer or any person directly involved with the case.~~ If, as a result of such preliminary hearing, probable cause is found to exist, the juvenile shall be entitled to a hearing before the court in accordance with this subsection;

(v) If the juvenile is found by the court to have violated the terms of his or her probation or supervision or an order of the court, the court may modify the terms and conditions of the probation, supervision, or other court order, extend the period of probation, supervision, or other court order, or enter any order of disposition that could have been made at the time the original order was entered; and

(vi) In cases when the court revokes probation, supervision, or other court order, it shall enter a written statement as to the evidence relied on and the reasons for revocation.

(6) Costs incurred on behalf of a juvenile under this section shall be paid as provided in section 43-290.01.

(7) When any juvenile is adjudicated to be a juvenile described in subdivision (4) of section 43-247, the juvenile court shall within thirty days of adjudication transmit to the Director of Motor Vehicles an abstract of the court record of adjudication.

Sec. 8. Section 43-1238, Reissue Revised Statutes of Nebraska, is amended to read:

43-1238 (a) Except as otherwise provided in section 43-1241, a court of this state has jurisdiction to make an initial child custody determination only if:

(1) this state is the home state of the child on the date of the commencement of the proceeding or was the home state of the child within six months before the commencement of the proceeding and the child is absent from this state but a parent or person acting as a parent continues to live in this state;

(2) a court of another state does not have jurisdiction under subdivision (a)(1) of this section, or a court of the home state of the child has declined to exercise jurisdiction on the ground that this state is the more appropriate forum under section 43-1244 or 43-1245, and:

(A) the child and the child's parents, or the child and at least one parent or a person acting as a parent, have a significant connection with this state other than mere physical presence; and

(B) substantial evidence is available in this state concerning the child's care, protection, training, and personal relationships;

(3) all courts having jurisdiction under subdivision (a)(1) or (a)(2) of this section have declined to exercise jurisdiction on the ground that a court of this state is the more appropriate forum to determine the custody of the child under section 43-1244 or 43-1245; or

(4) no court of any other state would have jurisdiction under the criteria specified in subdivision (a)(1), (a)(2), or (a)(3) of this section.

(b) Subsection (a) of this section is the exclusive jurisdictional basis for making a child custody determination by a court of this state. In addition to having jurisdiction to make judicial determinations about the custody and care of the child, a court of this state with exclusive jurisdiction under subsection (a) of this section has jurisdiction and authority to make factual findings regarding (1) the abuse, abandonment, or neglect of the child, (2) the nonviability of reunification with at least one of the child's parents due to such abuse, abandonment, neglect, or a similar basis under state law, and (3) whether it would be in the best interests of such child to be removed from the United States to a foreign country, including the child's country of origin or last habitual residence. If there is sufficient evidence to support such factual findings, the court shall issue an order containing such findings when requested by one of the parties or upon the court's own motion.

Funding acquired from participation in the federal act, state General Funds, and funding acquired from other sources which may be used for purposes consistent with the Juvenile Services Act and the federal act shall be used to aid in the establishment and provision of community-based services for juveniles who come in contact with the juvenile justice system.

(2)(a) Ten percent of the annual General Fund appropriation to the Community-based Juvenile Services Aid Program, excluding administrative budget funds, shall be set aside for the development of a common data set and evaluation of the effectiveness of the Community-based Juvenile Services Aid Program. (b) The common data set shall be developed and maintained by the commission and shall serve as a primary data collection site for any intervention funded by the Community-based Juvenile Services Aid Program designed to serve juveniles and deter involvement in the formal juvenile justice system. The commission shall work with agencies and programs to enhance

existing data sets. To ensure that the data set permits evaluation of recidivism and other measures, the commission shall work with the Office of Probation Administration, juvenile diversion programs, law enforcement, the courts, and others to compile data that demonstrates whether a youth has moved deeper into the juvenile justice system. The University of Nebraska at Omaha, Juvenile Justice Institute, shall assist with the development of common definitions, variables, and training required for data collection and reporting into the common data set by juvenile justice programs. The common data set maintained by the commission shall be provided to the University of Nebraska at Omaha, Juvenile Justice Institute, to assess the effectiveness of the Community-based Juvenile Services Aid Program.

(c) Providing the commission access to records and information for, as well as the commission granting access to records and information from, the common data set is not a violation of confidentiality provisions under any law, rule, or regulation if done in good faith for purposes of evaluation. The commission may require a local match of up to forty percent from the county, multiple counties, federally recognized or state-recognized Indian tribe or tribes, or any combination of the three which is receiving aid under such program. Any local expenditures for community-based programs for juveniles may be applied toward such match requirement.

(3)(a) In distributing funds provided under the Community-based Juvenile Services Aid Program, aid recipients shall prioritize programs and services that will divert juveniles from the juvenile justice system, reduce the population of juveniles in juvenile detention and secure confinement, and assist in transitioning juveniles from out-of-home placements.
