3 State where the individual has a current License in good standing. The
4 individual may retain the Home State designation during the period the
5 service member is on active duty.

6 SECTION 7. ADVERSE ACTIONS

7 A. In addition to the other powers conferred by State law, a Remote
8 State shall have the authority, in accordance with existing State due
9 process law, to:

10 1. Take Adverse Action against a Licensee's Compact Privilege within
11 that Member State; and

12 2. Issue subpoenas for both hearings and investigations that require
13 the attendance and testimony of witnesses as well as the production of
14 evidence. Subpoenas issued by a Licensing Authority in a Member State for
15 the attendance and testimony of witnesses or the production of evidence
16 from another Member State shall be enforced in the latter State by any
17 court of competent jurisdiction, according to the practice and procedure
18 applicable to subpoenas issued in proceedings pending before that court.
19 The issuing authority shall pay any witness fees, travel expenses,
20 mileage, and other fees required by the service statutes of the State in
21 which the witnesses or evidence are located.

22 B. Only the Home State shall have the power to take Adverse Action
23 against a Licensee's Home State License.

24 C. For purposes of taking Adverse Action, the Home State shall give
25 the same priority and effect to reported conduct received from a Member
26 State as it would if the conduct had occurred within the Home State. In
27 so doing, the Home State shall apply its own State laws to determine
28 appropriate action.

29 D. The Home State shall complete any pending investigations of a
30 Licensee who changes Home States during the course of the investigations.
31 The Home State shall also have authority to take appropriate action(s)

3 shall promptly notify the new Home State of any Adverse Actions.

4 E. A Member State, if otherwise permitted by State law, may recover
5 from the affected Licensee the costs of investigations and dispositions
6 of cases resulting from any Adverse Action taken against that Licensee.

7 F. A Member State may take Adverse Action based on the factual
8 findings of another Remote State, provided that the Member State follows
9 its own procedures for taking the Adverse Action.

10 G. Joint Investigations:

11 1. In addition to the authority granted to a Member State by its
12 respective State law, any Member State may participate with other Member
13 States in joint investigations of Licensees.

14 2. Member States shall share any investigative, litigation, or
15 compliance materials in furtherance of any joint investigation initiated
16 under the Compact.

17 H. If Adverse Action is taken by the Home State against a Licensee's
18 Home State License resulting in an Encumbrance on the Home State License,
19 the Licensee's Compact Privilege(s) in all other Member States shall be
20 revoked until all Encumbrances have been removed from the Home State
21 License. All Home State disciplinary orders that impose Adverse Action
22 against a Licensee shall include a statement that the Licensee's Compact
23 Privileges are revoked in all Member States during the pendency of the
24 order.

25 I. Once an Encumbered License in the Home State is restored to an
26 Unencumbered License (as certified by the Home State's Licensing
27 Authority), the Licensee must meet the requirements of Section 4(A) of
28 this Compact and follow the administrative requirements to reapply to
29 obtain a Compact Privilege in any Remote State.

30 J. If a Member State takes Adverse Action, it shall promptly notify
31 the administrator of the Data System. The administrator of the Data

1 System shall promptly notify the other Member States State of any Adverse
2 Actions.

3 K. Nothing in this Compact shall override a Member State's decision
4 that participation in an Alternative Program may be used in lieu of
5 Adverse Action.

6 SECTION 8. ESTABLISHMENT OF THE DIETITIAN LICENSURE COMPACT
7 COMMISSION

8 A. The Compact Member States hereby create and establish a joint

4 goods, services, or real estate;

5 f. Accusing any person of a crime or formally censuring any person;

6 g. Trade secrets or commercial or financial information that is
7 privileged or confidential;

8 h. Information of a personal nature where disclosure would
9 constitute a clearly unwarranted invasion of personal privacy;

10 i. Investigative records compiled for law enforcement purposes;

11 j. Information related to any investigative reports prepared by or
12 on behalf of or for use of the Compact Commission or other committee
13 charged with responsibility of investigation or determination of
14 compliance issues pursuant to the Compact;

15 k. Matters specifically exempted from disclosure by federal or
16 Member State law; or

17 l. Other matters as specified in the Rules of the Compact
18 Commission.

19 3. If a meeting, or portion of a meeting, is closed, the presiding
20 officer shall state that the meeting will be closed and reference each
21 relevant exempting provision, and such reference shall be recorded in the
22 minutes.

23 4. The Compact Commission shall keep minutes that fully and clearly
24 describe all matters discussed in a meeting and shall provide a full and
25 accurate summary of actions taken, and the reasons therefore, including a
26 description of the views expressed. All documents considered in
27 connection with an action shall be identified in such minutes. All
28 minutes and documents of a closed meeting shall remain under seal,
29 subject to release only by a majority vote of the Compact Commission or
30 order of a court of competent jurisdiction.

31 G. Financing of the Compact Commission

1 1. The Compact Commission shall pay, or provide for the payment of,
2 the reasonable expenses of its establishment, organization, and ongoing
3 activities.

4 2. The Compact Commission may accept any and all appropriate revenue
5 sources as provided in subsection (C)(13).

6 3. The Compact Commission may levy on and collect an annual
7 assessment from each Member State and impose fees on Licensees of Member
8 States to whom it grants a Compact Privilege to cover the cost of the
9 operations and activities of the Compact Commission and its staff, which
10 must, in a total amount, be sufficient to cover its annual budget as
11 approved each year for which revenue is not provided by other sources.
12 The aggregate annual assessment amount for Member States shall be
13 allocated based upon a formula that the Compact Commission shall
14 promulgate by Rule.

15 4. The Compact Commission shall not incur obligations of any kind
16 prior to securing the funds adequate to meet the same; nor shall the
17 Compact Commission pledge the credit of any of the Member States, except
18 by and with the authority of the Member State.

19 5. The Compact Commission shall keep accurate accounts of all
20 receipts and disbursements. The receipts and disbursements of the Compact
21 Commission shall be subject to the financial review and accounting
22 procedures established under its bylaws. However, all receipts and
23 disbursements of funds handled by the Compact Commission shall be subject
24 to an annual financial review by a certified or licensed public
25 accountant, and the report of the financial review shall be included in
26 and become part of the annual report of the Compact Commission.

27 H. Qualified Immunity, Defense, and Indemnification

28 1. The members, officers, executive director, employees and
29 representatives of the Compact Commission shall have no greater liability
30 than a state employee would have under the same or similar circumstances,
31 either personally or in their official capacity, for any claim for damage

1 to or loss of property or personal injury or other civil liability caused
2 by or arising out of any actual or alleged act, error, or omission that
3 occurred, or that the person against whom the claim is made had a
4 reasonable basis for believing occurred within the scope of Compact
5 Commission employment, duties, or responsibilities; provided that nothing
6 in this paragraph shall be construed to protect any such person from suit
7 or liability for any damage, loss, injury, or liability caused by the
8 intentional or willful or wanton misconduct of that person. The
9 procurement of insurance of any type by the Compact Commission shall not
10 in any way compromise or limit the immunity granted hereunder.

11 2. The Compact Commission shall defend any member, officer,
12 executive director, employee, and representative of the Compact
13 Commission in any civil action seeking to impose liability arising out of
14 any actual or alleged act, error, or omission that occurred within the
15 scope of Compact Commission employment, duties, or responsibilities, or
16 as determined by the Compact Commission that the person against whom the
17 claim is made had a reasonable basis for believing occurred within the
18 scope of Compact Commission employment, duties, or responsibilities;
19 provided that nothing herein shall be construed to prohibit that person
20 from retaining their own counsel at their own expense; and provided
21 further, that the actual or alleged act, error, or omission did not
22 result from that person's intentional or willful or wanton misconduct.

23 3. The Compact Commission shall indemnify and hold harmless any
24 member, officer, executive director, employee, and representative of the
25 Compact Commission for the amount of any settlement or judgment obtained
26 against that person arising out of any actual or alleged act, error, or
27 omission that occurred within the scope of Compact Commission employment,
28 duties, or responsibilities, or that such person had a reasonable basis
29 for believing occurred within the scope of Compact Commission employment,
30 duties, or responsibilities, provided that the actual or alleged act,
31 error, or omission did not result from the intentional or willful or

1 wanton misconduct of that person.

2 4. Nothing herein shall be construed as a limitation on the
3 liability of any Licensee for professional malpractice or misconduct,
4 which shall be governed solely by any other applicable State laws.

5 5. Nothing in this Compact shall be interpreted to waive or
6 otherwise abrogate a Member State's state action immunity or state action
7 affirmative defense with respect to antitrust claims under the Sherman
8 Act, Clayton Act, or any other State or federal antitrust or
9 anticompetitive law or regulation.

10 6. Nothing in this Compact shall be construed to be a waiver of
11 sovereign immunity by the Member States or by the Compact Commission.

12 SECTION 9. DATA SYSTEM

13 A. The Compact Commission shall provide for the development,
14 maintenance, operation, and utilization of a coordinated Data System.

15 B. The Compact Commission shall assign each applicant for a Compact
16 Privilege a unique identifier, as determined by the Rules.

17 C. Notwithstanding any other provision of State law to the contrary,
18 a Member State shall submit a uniform data set to the Data System on all
19 individuals to whom this Compact is applicable as required by the Rules
20 of the Compact Commission, including:

21 1. Identifying information;

22 2. Licensure data;

23 3. Adverse Actions against a License or Compact Privilege and
24 information related thereto;

25 4. Nonconfidential information related to Alternative Program
26 participation, the beginning and ending dates of such participation, and
27 other information related to such participation not made confidential
28 under Member State law;

29 5. Any denial of application for licensure, and the reason(s) for
30 such denial;

31 6. The presence of Current Significant Investigative Information;

1 and

2 7. Other information that may facilitate the administration of this
3 Compact or the protection of the public, as determined by the Rules of
4 the Compact Commission.

5 D. The records and information provided to a Member State pursuant
6 to this Compact or through the Data System, when certified by the Compact
7 Commission or an agent thereof, shall constitute the authenticated
8 business records of the Compact Commission, and shall be entitled to any
9 associated hearsay exception in any relevant judicial, quasi-judicial, or
10 administrative proceedings in a Member State.

11 E. Current Significant Investigative Information pertaining to a
12 Licensee in any Member State will only be available to other Member
13 States.

14 F. It is the responsibility of the Member States to report any
15 Adverse Action against a Licensee and to monitor the Data System to
16 determine whether any Adverse Action has been taken against a Licensee.
17 Adverse Action information pertaining to a Licensee in any Member State
18 will be available to any other Member State.

19 G. Member States contributing information to the Data System may
20 designate information that may not be shared with the public without the
21 express permission of the contributing State.

22 H. Any information submitted to the Data System that is subsequently
23 expunged pursuant to federal law or the laws of the Member State
24 contributing the information shall be removed from the Data System.

25 SECTION 10. RULEMAKING

26 A. The Compact Commission shall promulgate reasonable Rules in order
27 to effectively and efficiently implement and administer the purposes and
28 provisions of the Compact. A Rule shall be invalid and have no force or
29 effect only if a court of competent jurisdiction holds that the Rule is
30 invalid because the Compact Commission exercised its rulemaking authority
31 in a manner that is beyond the scope and purposes of the Compact, or the

1 powers granted hereunder, or based upon another applicable standard of
2 review.

3 B. The Rules of the Compact Commission shall have the force of law
4 in each Member State, provided however that where the Rules conflict with
5 the laws or regulations of a Member State that relate to the procedures,
6 actions, and processes a Licensed Dietitian is permitted to undertake in
7 that State and the circumstances under which they may do so, as held by a
8 court of competent jurisdiction, the Rules of the Compact Commission
9 shall be ineffective in that State to the extent of the conflict.

10 C. The Compact Commission shall exercise its rulemaking powers
11 pursuant to the criteria set forth in this Section and the Rules adopted
12 thereunder. Rules shall become binding on the day following adoption or
13 as of the date specified in the Rule or amendment, whichever is later.

14 D. If a majority of the legislatures of the Member States rejects a
15 Rule or portion of a Rule, by enactment of a statute or resolution in the
16 same manner used to adopt the Compact within four years of the date of
17 adoption of the Rule, then such Rule shall have no further force and
18 effect in any Member State.

19 E. Rules shall be adopted at a regular or special meeting of the
20 Compact Commission.

21 F. Prior to adoption of a proposed Rule, the Compact Commission
22 shall hold a public hearing and allow persons to provide oral and written
23 comments, data, facts, opinions, and arguments.

24 G. Prior to adoption of a proposed Rule by the Compact Commission,
25 and at least thirty days in advance of the meeting at which the Compact
26 Commission will hold a public hearing on the proposed Rule, the Compact
27 Commission shall provide a Notice of Proposed rulemaking:

28 1. On the website of the Compact Commission or other publicly
29 accessible platform;

30 2. To persons who have requested notice of the Compact Commission's
31 notices of proposed rulemaking; and

1 3. In such other way(s) as the Compact Commission may by Rule
2 specify.

3 H. The Notice of Proposed rulemaking shall include:

4 1. The time, date, and location of the public hearing at which the
5 Compact Commission will hear public comments on the proposed Rule and, if
6 different, the time, date, and location of the meeting where the Compact
7 Commission will consider and vote on the proposed Rule;

8 2. If the hearing is held via telecommunication, video conference,
9 or other means of communication, the Compact Commission shall include the
10 mechanism for access to the hearing in the Notice of Proposed rulemaking;

11 3. The text of the proposed Rule and the reason therefore;

12 4. A request for comments on the proposed Rule from any interested
13 person; and

14 5. The manner in which interested persons may submit written
15 comments.

16 I. All hearings will be recorded. A copy of the recording and all
17 written comments and documents received by the Compact Commission in
18 response to the proposed Rule shall be available to the public.

19 J. Nothing in this Section shall be construed as requiring a
20 separate hearing on each Rule. Rules may be grouped for the convenience
21 of the Compact Commission at hearings required by this Section.

22 K. The Compact Commission shall, by majority vote of all members,
23 take final action on the proposed Rule based on the rulemaking record and
24 the full text of the Rule.

25 1. The Compact Commission may adopt changes to the proposed Rule
26 provided the changes do not enlarge the original purpose of the proposed
27 Rule.

28 2. The Compact Commission shall provide an explanation of the
29 reasons for substantive changes made to the proposed Rule as well as
30 reasons for substantive changes not made that were recommended by
31 commenters.

1 3. The Compact Commission shall determine a reasonable effective
2 date for the Rule. Except for an emergency as provided in subsection
3 10(L), the effective date of the Rule shall be no sooner than thirty days
4 after issuing the notice that it adopted or amended the Rule.

5 L. Upon determination that an emergency exists, the Compact
6 Commission may consider and adopt an emergency Rule with twenty-four
7 hours' notice, with opportunity to comment, provided that the usual
8 rulemaking procedures provided in the Compact and in this Section shall
9 be retroactively applied to the Rule as soon as reasonably possible, in
10 no event later than ninety days after the effective date of the Rule. For
11 the purposes of this provision, an emergency Rule is one that must be
12 adopted immediately in order to:

- 13 1. Meet an imminent threat to public health, safety, or welfare;
14 2. Prevent a loss of Compact Commission or Member State funds;
15 3. Meet a deadline for the promulgation of a Rule that is
16 established by federal law or rule; or
17 4. Protect public health and safety.

18 M. The Compact Commission or an authorized committee of the Compact
19 Commission may direct revision to a previously adopted Rule for purposes
20 of correcting typographical errors, errors in format, errors in
21 consistency, or grammatical errors. Public notice of any revision shall
22 be posted on the website of the Compact Commission. The revision shall be
23 subject to challenge by any person for a period of thirty days after
24 posting. The revision may be challenged only on grounds that the revision
25 results in a material change to a Rule. A challenge shall be made in
26 writing and delivered to the Compact Commission prior to the end of the
27 notice period. If no challenge is made, the revision will take effect
28 without further action. If the revision is challenged, the revision may
29 not take effect without the approval of the Compact Commission.

30 N. No Member State's rulemaking requirements shall apply under this
31 Compact.

1 SECTION 11. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

2 A. Oversight

3 1. The executive and judicial branches of State government in each
4 Member State shall enforce this Compact and take all actions necessary
5 and appropriate to implement this Compact.

6 2. Except as otherwise provided in this Compact, venue is proper and
7 judicial proceedings by or against the Compact Commission shall be
8 brought solely and exclusively in a court of competent jurisdiction where
9 the principal office of the Compact Commission is located. The Compact
10 Commission may waive venue and jurisdictional defenses to the extent it
11 adopts or consents to participate in alternative dispute resolution
12 proceedings. Nothing herein shall affect or limit the selection or
13 propriety of venue in any action against a Licensee for professional
14 malpractice, misconduct, or any such similar matter.

15 3. The Compact Commission shall be entitled to receive service of
16 process in any proceeding regarding the enforcement or interpretation of
17 the Compact and shall have standing to intervene in such a proceeding for
18 all purposes. Failure to provide the Compact Commission service of
19 process shall render a judgment or order void as to the Compact
20 Commission, this Compact, or promulgated Rules.

21 B. Default, Technical Assistance, and Termination

22 1. If the Compact Commission determines that a Member State has
23 defaulted in the performance of its obligations or responsibilities under
24 this Compact or the promulgated Rules, the Compact Commission shall
25 provide written notice to the defaulting State. The notice of default
26 shall describe the default, the proposed means of curing the default, and
27 any other action that the Compact Commission may take and shall offer
28 training and specific technical assistance regarding the default.

29 2. The Compact Commission shall provide a copy of the notice of
30 default to the other Member States.

31 C. If a State in default fails to cure the default, the defaulting

1 State may be terminated from the Compact upon an affirmative vote of a
2 majority of the delegates of the Member States, and all rights,
3 privileges, and benefits conferred on that State by this Compact may be
4 terminated on the effective date of termination. A cure of the default
5 does not relieve the offending State of obligations or liabilities
6 incurred during the period of default.

7 D. Termination of membership in the Compact shall be imposed only
8 after all other means of securing compliance have been exhausted. Notice
9 of intent to suspend or terminate shall be given by the Compact
10 Commission to the governor, the majority and minority leaders of the
11 defaulting State's legislature, the defaulting State's Licensing
12 Authority, and each of the Member States' Licensing Authority.

13 E. A State that has been terminated is responsible for all
14 assessments, obligations, and liabilities incurred through the effective
15 date of termination, including obligations that extend beyond the
16 effective date of termination.

17 F. Upon the termination of a State's membership from this Compact,
18 that State shall immediately provide notice to all Licensees within that
19 State of such termination. The terminated State shall continue to
20 recognize all Compact Privileges granted pursuant to this Compact for a
21 minimum of six months after the date of said notice of termination.

22 G. The Compact Commission shall not bear any costs related to a
23 State that is found to be in default or that has been terminated from the
24 Compact, unless agreed upon in writing between the Compact Commission and
25 the defaulting State.

26 H. The defaulting State may appeal the action of the Compact
27 Commission by petitioning the United States District Court for the
28 District of Columbia or the federal district where the Compact Commission
29 has its principal offices. The prevailing party shall be awarded all
30 costs of such litigation, including reasonable attorney's fees.

31 I. Dispute Resolution

1 1. Upon request by a Member State, the Compact Commission shall
2 attempt to resolve disputes related to the Compact that arise among
3 Member States and between Member and non-Member States.

4 2. The Compact Commission shall promulgate a Rule providing for both
5 mediation and binding dispute resolution for disputes as appropriate.

6 J. Enforcement

7 1. By supermajority vote, the Compact Commission may initiate legal
8 action against a Member State in default in the United States District
9 Court for the District of Columbia or the federal district where the
10 Compact Commission has its principal offices to enforce compliance with
11 the provisions of the Compact and its promulgated Rules. The relief
12 sought may include both injunctive relief and damages. In the event
13 judicial enforcement is necessary, the prevailing party shall be awarded
14 all costs of such litigation, including reasonable attorney's fees. The
15 remedies herein shall not be the exclusive remedies of the Compact
16 Commission. The Compact Commission may pursue any other remedies
17 available under federal or the defaulting Member State's law.

18 2. A Member State may initiate legal action against the Compact
19 Commission in the United States District Court for the District of
20 Columbia or the federal district where the Compact Commission has its
21 principal offices to enforce compliance with the provisions of the
22 Compact and its promulgated Rules. The relief sought may include both
23 injunctive relief and damages. In the event judicial enforcement is
24 necessary, the prevailing party shall be awarded all costs of such
25 litigation, including reasonable attorney's fees.

26 3. No party other than a Member State shall enforce this Compact
27 against the Compact Commission.

28 SECTION 12. EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT

29 A. The Compact shall come into effect on the date on which the
30 Compact statute is enacted into law in the seventh Member State.

31 1. On or after the effective date of the Compact, the Compact

1 Commission shall convene and review the enactment of each of the first
2 seven Member States ("Charter Member States") to determine if the statute
3 enacted by each such Charter Member State is materially different than
4 the model Compact statute.

5 a. A Charter Member State whose enactment is found to be materially
6 different from the model Compact statute shall be entitled to the default
7 process set forth in Section 11 of this Compact.

8 b. If any Member State is later found to be in default, or is
9 terminated, or withdraws from the Compact, the Compact Commission shall
10 remain in existence and the Compact shall remain in effect even if the
11 number of Member States should be less than seven.

12 2. Member States enacting the Compact subsequent to the seven
13 initial Charter Member States shall be subject to the process set forth
14 in Section 8(C)(21) of this Compact to determine if their enactments are
15 materially different from the model Compact statute and whether they
16 qualify for participation in the Compact.

17 3. All actions taken for the benefit of the Compact Commission or in
18 furtherance of the purposes of the administration of the Compact prior to
19 the effective date of the Compact or the Compact Commission coming into
20 existence shall be considered to be actions of the Compact Commission
21 unless specifically repudiated by the Compact Commission.

22 4. Any State that joins the Compact subsequent to the Compact
23 Commission's initial adoption of the Rules and bylaws shall be subject to
24 the Rules and bylaws as they exist on the date on which the Compact
25 becomes law in that State. Any Rule that has been previously adopted by
26 the Compact Commission shall have the full force and effect of law on the
27 day the Compact becomes law in that State.

28 B. Any Member State may withdraw from this Compact by enacting a
29 statute repealing the same.

30 1. A Member State's withdrawal shall not take effect until one
31 hundred eighty days after enactment of the repealing statute.

1 2. Withdrawal shall not affect the continuing requirement of the
2 withdrawing State's Licensing Authority to comply with the investigative
3 and Adverse Action reporting requirements of this Compact prior to the
4 effective date of withdrawal.

5 3. Upon the enactment of a statute withdrawing from this Compact, a
6 State shall immediately provide notice of such withdrawal to all
7 Licensees within that State. Notwithstanding any subsequent statutory
8 enactment to the contrary, such withdrawing State shall continue to
9 recognize all Compact Privileges granted pursuant to this Compact for a
10 minimum of one hundred eighty days after the date of such notice of
11 withdrawal.

12 C. Nothing contained in this Compact shall be construed to
13 invalidate or prevent any licensure agreement or other cooperative
14 arrangement between a Member State and a non-Member State that does not
15 conflict with the provisions of this Compact.

16 D. This Compact may be amended by the Member States. No amendment to
17 this Compact shall become effective and binding upon any Member State
18 until it is enacted into the laws of all Member States.

19 SECTION 13. CONSTRUCTION AND SEVERABILITY

20 A. This Compact and the Compact Commission's rulemaking authority
21 shall be liberally construed so as to effectuate the purposes and the
22 implementation and administration of the Compact. Provisions of the
23 Compact expressly authorizing or requiring the promulgation of Rules
24 shall not be construed to limit the Compact Commission's rulemaking
25 authority solely for those purposes.

26 B. The provisions of this Compact shall be severable and if any
27 phrase, clause, sentence, or provision of this Compact is held by a court
28 of competent jurisdiction to be contrary to the constitution of any
29 Member State, a State seeking participation in the Compact, or of the
30 United States, or the applicability thereof to any government, agency,
31 person, or circumstance is held to be unconstitutional by a court of

1 competent jurisdiction, the validity of the remainder of this Compact and
2 the applicability thereof to any other government, agency, person, or
3 circumstance shall not be affected thereby.

4 C. Notwithstanding subsection 13(B), the Compact Commission may deny
5 a State's participation in the Compact or, in accordance with the
6 requirements of Section 11(B) of this Compact, terminate a Member State's
7 participation in the Compact, if it determines that a constitutional
8 requirement of a Member State is a material departure from the Compact.
9 Otherwise, if this Compact shall be held to be contrary to the
10 constitution of any Member State, the Compact shall remain in full force
11 and effect as to the remaining Member States and in full force and effect
12 as to the Member State affected as to all severable matters.

13 SECTION 14. CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS

14 A. Nothing herein shall prevent or inhibit the enforcement of any
15 other law of a Member State that is not inconsistent with the Compact.

16 B. Any laws, statutes, regulations, or other legal requirements in a
17 Member State in conflict with the Compact are superseded to the extent of
18 the conflict.

19 C. All permissible agreements between the Compact Commission and the
20 Member States are binding in accordance with their terms.

21 Sec. 2. Section 38-131, Revised Statutes Supplement, 2023, is
22 amended to read:

24 registered nurse, a licensed practical nurse, a physical therapist, a
25 physical therapy assistant, a psychologist, an advanced emergency medical
26 technician, an emergency medical technician, an audiologist, a speech-
27 language pathologist, a licensed independent mental health practitioner,
28 an occupational therapist, an occupational therapy assistant, or a
29 paramedic; to practice a profession which, by statute, requires a
30 criminal background check pursuant to this section; or to practice a
31 profession which is authorized to prescribe controlled substances shall

1 be subject to a criminal background check. Except as provided in
2 subsection (4) of this section, such an applicant for an initial license
3 shall submit a full set of fingerprints to the Nebraska State Patrol for

5 authorize release of the results of the national criminal history record
6 information check by the Federal Bureau of Investigation to the

8 and criminal background check.

9 (2) The Nebraska State Patrol is authorized to submit the
10 fingerprints of such applicants to the Federal Bureau of Investigation
11 and to issue a report to the department that includes the criminal
12 history record information concerning the applicant. The Nebraska State
13 Patrol shall forward submitted fingerprints to the Federal Bureau of
14 Investigation for a national criminal history record information check.
15 The Nebraska State Patrol shall issue a report to the department that
16 includes the criminal history record information concerning the
17 applicant.

18 (3) This section shall not apply to a dentist who is an applicant
19 for a dental locum tenens under section 38-1122, to a physician or
20 osteopathic physician who is an applicant for a physician locum tenens
21 under section 38-2036, or to a veterinarian who is an applicant for a
22 veterinarian locum tenens under section 38-3335.

23 (4) An applicant for a temporary educational permit as defined in
24 section 38-2019 shall have ninety days from the issuance of the permit to
25 comply with subsection (1) of this section and shall have such permit
26 suspended after such ninety-day period if the criminal background check
27 is not complete or revoked if the criminal background check reveals that
28 the applicant was not qualified for the permit.

29 (5) The department and the Nebraska State Patrol may adopt and
30 promulgate rules and regulations concerning costs associated with the
31 fingerprinting and the national criminal history record information

1 check.

2 (6) For purposes of interpretation by the Federal Bureau of
3 Investigation, the term department in this section means the Division of
4 Public Health of the Department of Health and Human Services.

5 Sec. 3. Section 38-1801, Revised Statutes Supplement, 2023, is
6 amended to read:

7 38-1801 Sections 38-1801 to 38-1822 and section 4 of this act shall
8 be known and may be cited as the Medical Nutrition Therapy Practice Act.

9 Sec. 4. (1) A person holding a Compact Privilege under the
10 Dietitian Licensure Compact may engage in the Practice of Dietetics in
11 Nebraska as authorized pursuant to such compact.

12 (2) The board may approve, and the department may adopt and
13 promulgate, rules and regulations as necessary to carry out this section.

14 Sec. 5. Section 38-1812, Revised Statutes Supplement, 2023, is
15 amended to read:

16 38-1812 No person shall practice medical nutrition therapy unless
17 such person is licensed for such purpose pursuant to the Uniform

19 Licensure Compact. The practice of medical nutrition therapy shall be
20 provided with the consultation of a physician licensed pursuant to
21 section 38-2026 or sections 38-2029 to 38-2033, a nurse practitioner
22 licensed pursuant to section 38-2317, or a physician assistant licensed
23 pursuant to section 38-2049. The Medical Nutrition Therapy Practice Act
24 shall not be construed to require a license under the act in order to:

25 (1) Practice medical nutrition therapy within the scope of the
26 official duties of an employee of the state or federal government or
27 while serving in the armed forces of the United States;

28 (2) Engage in practice within the scope of a credential issued under
29 the Uniform Credentialing Act;

30 (3) Practice medical nutrition therapy as a student while pursuing a
31 course of study leading to a degree in dietetics, nutrition, or an
