

One Hundred Eighth Legislature - Second Session - 2024

Introducer's Statement of Intent

LB1275

Chairperson: Senator Robert Clements

Committee: Appropriations

Date of Hearing: February 05, 2024

The intent of this bill is to appropriate \$23M to the Department of Administrative Services to provide the funds to the office of the Chief Information Officer for the ongoing creation of a statewide radio network, and the purchase of a common radio system that provides interoperable communications between state agencies and volunteer fire departments in the event of wildfires.

Principal Introducer: _____

Senator Tom Brewer
