## DEPARTMENT OF EDUCATION

October 28, 2019

To Whom It May Concern:

The purpose of this letter is to explain why it is believed that standard administrative certificates are effective. The standard administrative certificate is the “beginning” level of administrative certificate and is largely for those just starting out to be a principal, assistant principal, etc. who have completed graduate study for school administration at a standard institution of higher education approved by the State Board of Education.

A standard administrative certificate is issued for a term of five years and is renewable.

Please feel free to contact me if you have any questions on this certificate type. I can be reached at 402-471-0738 or at [clayton.waddle@nebraska.gov](mailto:clayton.waddle@nebraska.gov).

Sincerely,

A handwritten signature in black ink that reads "Clayton L. Waddle".

Clayton L. Waddle  
Director – Educator Certification
