Introduction

Nebraska has more than 230 statutorily created boards, commissions, and other similar entities (boards). Among the many tasks assigned to them, boards provide oversight of governmental programs, regulate licensed professionals, carry out studies, oversee implementation of new programs, advocate for certain constituencies, and advise state agencies.

In 1997, the Executive Board of the Legislative Council requested that the Legislative Research Office compile and annually update a list of statutorily created boards. This publication contains that list. The list does not include (1) boards created by executive order, by agency rule or regulation, or pursuant to federal mandates, unless enacted via state statute; (2) commissions or councils created pursuant to interstate compacts; or (3) boards created via state statute but which serve local governments.

The Legislature's Role in Boards and Commissions

The Legislature plays a pivotal role in the establishment, administration, and operation of the state's boards and commissions.

First, as evidenced by the number of statutorily created boards, the Legislature creates boards via passage of legislation. In addition to creating boards, the legislation establishes membership and prescribes powers and duties.

Second, legislators often serve as ex officio board members and appoint members or provide nominees for appointment by the Governor. Information about those boards can be found in Table 2 and Table 3.

Finally, members of the Legislature are frequently required to confirm specific board members appointed by the Governor. Forty-six boards have members who must be confirmed by a majority vote of the Legislature. The boards are identified in Table 5 at the end of this report.

Boards Created in the Nebraska Constitution

Twelve boards are created in the Nebraska Constitution. They are the:

- Board of Parole
- Board of Pardons
- State Board of Education
- Public Service Commission
- Commission on Industrial Relations
- Board of Educational Lands and Funds
- Coordinating Commission for Postsecondary Education
- Board of Trustees of the Nebraska State Colleges
- Tax Equalization and Review Commission
- University of Nebraska Board of Regents
- Commission on Judicial Qualifications
- Judicial Nominating Commissions

Boards as Agencies of State Government

Of the 236 statutorily created boards documented in this report, 51 are state agencies.

The *Nebraska Blue Book* defines state agencies as entities which have their own staffs, are not affiliated with another agency or entity, and appear as distinct items within the state budget.

Nebraska state agencies are categorized as “code agencies” or “noncode agencies”; however, neither designation is statutorily defined, making categorizing agencies more art than science.¹

Generally, a code agency is an agency whose executive director or chief official is appointed by the Governor. The appointee serves at the pleasure of and answers directly to the Governor. On the other hand, a non-code agency is an agency whose executive director or chief official is appointed by the governing agency board (whose members are usually gubernatorial appointees themselves).

Other Statutorily Created Boards

Many of the remaining state boards are created or housed within other state agencies. The health profession licensing boards within the Department of Health and Human Services are examples.

However, a significant number of boards defy categorization; they are not full-fledged state agencies nor are they completely under the control of another state agency.

The *Nebraska Blue Book* classifies these boards as “other state governmental bodies” and describes them as follows: “[M]iscellaneous boards, commissions, committees, councils, authorities and quasi-governmental bodies and bodies with members from more than one branch of state government. None of these entities are full-fledged state agencies, but they have a degree of independence that keeps them from being classified within any department or agency.”² Among this diverse group of boards are the Environmental Trust Board, Nebraska Investment Finance Authority, and the State Anatomical Board.

All of these boards are listed within the Nebraska Boards and Commissions Master List found in Table 5.

¹ The terms “code” and “noncode” harken back to 1919, when the Legislature adopted the Civil Administrative Code. Essentially, the 1919 legislation reorganized the executive branch of state government. The legislation abolished over 20 boards, commissions, and other departmental subdivisions and replaced them with six departments, each headed by a gubernatorial appointee. Those agencies and subsequent, similarly structured agencies came to be called “code agencies.” Because sources disagree on how boards are classified and consistent statutory guidance is lacking, this report uses the Governor’s Office classification of code and noncode agency boards, as generally reflected in the *Nebraska Blue Book*.

New Boards and Commissions Enacted in 2023

Nebraska Sentencing Reform Task Force (Laws 2023, LB50)

The Nebraska Sentencing Reform Task Force is charged with identifying and recommending changes to Nebraska's criminal justice laws, policies and practices to improve public safety and more effectively allocate the resources of the state's criminal justice system.

The 11-member committee includes the Governor and Attorney General, or their designees; three members of the Judiciary Committee selected by the Executive Board of the Legislature; and two representatives from each of following groups: law enforcement; county attorneys; and criminal defense attorneys, all to be appointed by the Governor.

The task force is to submit its first report to the Legislature no later than November 15, 2023, and its second report no later than November 15, 2024.

The task force is scheduled to terminate on December 31, 2024.

Nuclear and Hydrogen Industry Work Group (Laws 2023, LB565)

The Nebraska Department of Economic Development is to establish the Nuclear and Hydrogen Industry Work Group. The 12-member work group will examine the workforce training needs of the state's nuclear and hydrogen industries and will work to foster collaboration between the two industries and the state and community college systems in developing educational curricula and training courses to meet the workforce needs that are identified.

The work group will include the Director of Economic Development or a designee of the director, and nine members to be appointed by the Governor including one representative each from the state college system and the community college system; two representatives each from the nuclear industry and the hydrogen industry; one power district representative; and two at-large members. The chairpersons of the Natural Resources Committee and the Government, Military and Veterans Affairs Committees will serve as ex officio, nonvoting members.

Upon the recommendation of the work group, the department will award grants to community colleges and state colleges that implement educational courses designed to meet the workforce training needs of the industry.

Underground Excavation Safety Committee (Laws 2022, LB683)

The purpose of the seven-member Underground Excavation Safety Committee is to review investigations completed pursuant to subdivision (2)(a) of Neb. Rev. Stat. section 76-2325 and determine whether any violation described in subdivision (2) (b) of the statute has been committed. If a violation is identified, the committee will determine the appropriate civil penalty if one is assessed.

The committee includes the State Fire Marshal or someone designated by the State Fire Marshal, three representatives of operators and three representatives of excavators appointed by the Governor and confirmed by the Legislature. The statute also requires that alternate representatives be appointed to fill in if a regular committee member is not able to participate.

The committee is required to meet monthly and at such times as may be determined necessary by the committee chairperson.

Board of Behavior Analysts (Laws 2023, LB227)

The Board of Behavior Analysts is a five-member board appointed by the State Board of Health. Its primary purpose is to oversee the credentialing and practice of licensed behavior analysts and licensed assistant behavior analysts.

The Board includes three Applied Behavior Analyst members, one Assistant Applied Behavior Analyst Member and one public member.

The Board is required to meet six times per year.

- Table 2 lists the boards on which state senators serve as members.
- Table 3 lists the boards with members who are nominated or appointed by the Legislature.
- Tables 4A and 4B list the boards that are agencies of state government.

It was renamed the Nebraska Natural Resources Commission in 1972. The Department of Natural Resources was established in 2000 via the merger of the commission and the Department of Water Resources (Laws 2000, LB 900).

⁴ In 1973, the Legislature repealed the original act and replaced it with new legislation creating a 15-member council.

⁶ Additionally, the Director of Agriculture, the vice chancellor of the University of Nebraska Institute of Agriculture and Natural Resources, and the president of the Nebraska Corn Growers Association serve as ex officio, nonvoting members.

⁷ The director of the Panhandle Research and Extension Center serves as an ex officio, nonvoting member.

⁸ The State Board of Education also served as the State Board of Vocational Education until 2017 when the State Board of Vocational Education was eliminated by LB 512.

⁹ The State Board of Education is an elective office.

¹⁰ A constitutional amendment to create a State Department of Education, governed by a State Board of Education, was approved by voters in 1952. Legislation the next year established this structure in statute.

¹¹ The Nebraska Constitution of 1875 provided for a "board of commissioners for the sale, leasing, and general management of all lands and funds set apart for educational purposes...." It was composed of the Governor, Secretary of State, Treasurer, Attorney General, and the Commissioner of Public Lands and Buildings. In 1954, voters approved a constitutional amendment changing the composition of the board from state officers to gubernatorial appointees. The Legislature codified this in 1955.

¹² Prior to 1975, the State Electrical Board was a division within the State Fire Marshal's Office.

¹⁴ The commission originated in 1879 as the Board of Fish Commissioners and has undergone numerous reorganizations since then. In 1929, the Legislature merged the Bureau of Game and Fish in the Department of Agriculture with the State Park Board to create the Game, Forestation and Parks Commission. In 1967, the Legislature created the position of State Forester and removed oversight of forests from the commission, which then became the Game and Parks Commission.

¹⁵ The Director of Agriculture and the vice chancellor of the University of Nebraska Institute of Agriculture and Natural Resources are ex officio, nonvoting board members.

¹⁶ The Historical Society was founded in 1878. It became a state institution in 1883 and, in 1994, it became a state agency.

¹⁷ The State Treasurer and the executive director of the State Employees Retirement Systems serve as ex officio, nonvoting members.

¹⁸ The State Surveyor serves as the ex officio secretary of the board.

¹⁹ The board became an independent state agency in 1971.

In 1906, voters ratified a constitutional amendment creating an elective Railway Commission.

³⁰ Significant changes were made to the commission in 2021 including increasing the number of members from 5 to 7, providing for a monthly salary, and expanding the commission's areas of oversight. (Laws 2021, LB 561)

³¹ The Secretary of State serves as the commission chairperson.

³³ The Director of Agriculture and the vice chancellor of the University of Nebraska Institute of Agriculture and Natural Resources serve as ex officio, nonvoting members. When established, Marketing was located in the Department of Agriculture and Inspection. In 1981, legislation was enacted making it an independent agency. (Laws 1981, LB 11)

³⁴ A "Y" in this column indicates that a provision authorizing expenses exists in the statute creating the board or commission; an "N" indicates the enacting statute makes no mention of allowing expenses. However, Neb. Rev. Stat. sec. 81-1178 provides: "Any member of any state commission, council, committee, or board which has been created by statute shall be entitled to be reimbursed for expenses in the same manner as provided in sections 81-1174 to 81-1177 for state employees whether or not specific reference is made to such sections."

³⁵ Unless otherwise noted, per diems listed are the maximum allowable in statute for that particular board. Since some statutes indicate that the permissible per diem is "at least" or "up to", the actual per diem paid to a given board member could be less than that listed. As per Neb. Rev. Stat. sec. 71-112, the professional boards in the various health-related fields receive expenses as well as a per diem not to exceed \$30. Additionally, the per diem and expenses cannot be greater than "is received in fees from the applicants taking the examination in any particular profession." Each individual board sets its own per diem within those parameters. Additionally, these boards may set per diems and pay the expenses up to this rate for any subcommittees they create.
