**Summary of purpose and/or change:**

LB 1004 would amend sections 77-2753 and 77-2790, to change the assumed minimum withholding amount from 3 percent of the gross wages minus qualified deductions to 1½ percent. Under current law, withholding from employees is to be at least this minimum amount unless the employee provides satisfactory evidence that a lower amount is justified.

**Explanation of amendments, if any:**
