

## ONE HUNDREDTH LEGISLATURE

## FIRST SESSION

## LEGISLATIVE RESOLUTION 173

Introduced by Heidemann, 1;

PURPOSE: The purpose of this study is to review the adequacy of funding for the Nebraska College of Technical Agriculture at Curtis (NCTA). NCTA has a statewide mission of instruction relating to food and agriculture at less than the baccalaureate degree, with concentration on the applied associate degree. By policy of the Board of Regents of the University of Nebraska and state law, NCTA exists as a distinct subprogram of the university and has a separate operating budget. By policy, the Board of Regents does not transfer funds from other university programs if the funds appropriated by the Legislature and generated by NCTA are inadequate to provide for the continued operation of NCTA.

The study shall include, but not be limited to:

(1) The adequacy of funding for the operating budget of NCTA; and

(2) The adequacy of funding for the facilities at NCTA.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDREDTH LEGISLATURE OF NEBRASKA, FIRST SESSION:

1. That the Appropriations Committee of the Legislature shall be designated to conduct an interim study to carry out the purposes of this resolution.

2. That the committee shall upon the conclusion of

its study make a report of its findings, together with its recommendations, to the Legislative Council or Legislature.
