Introducer's Statement of Intent
LB 217

Chairperson: Brad Ashford
Committee: Judiciary
Date of Hearing: January 19, 2007

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Legislative Bill 217 proposes to amend section 28-1437, relating to the unlawful acquisition of prescription medication, to replace an incorrect reference in the statute. Specifically, the bill replaces the word subsection found at the end of the third paragraph with the term section to correctly reference the entire statute rather than the existing circular reference back to subsection (3). This change was recommended to the committee by the revisor of statutes office.
