1                   48-2525, 48-2526, 48-2527, 48-2528, 48-2529, 48-2530,  
2                   48-2531, 48-2532, and 48-2533, Reissue Revised Statutes  
3                   of Nebraska; and to declare an emergency.  
4 Be it enacted by the people of the State of Nebraska,

1           Section 1. Section 48-1802, Reissue Revised Statutes of  
2 Nebraska, is amended to read:

3           48-1802 For purposes of the Nebraska Amusement Ride Act,  
4 unless the context otherwise requires:

5           (1) Amusement ride shall mean any mechanical device that  
6 carries or conveys passengers along, around, or over a fixed or  
7 restricted route or course or within a defined area for the purpose  
8 of giving its passengers amusement, pleasure, or excitement, but such  
9 term shall not include (a) any single-passenger coin-operated ride  
10 that is manually, mechanically, or electrically operated and  
11 customarily placed in a public location and that does not normally  
12 require the supervision or services of an operator or (b)  
13 nonmechanized playground equipment, including, but not limited to,  
14 swings, seesaws, stationary spring-mounted animal features, rider-  
15 propelled merry-go-rounds, climbers, slides, trampolines, and  
16 physical fitness devices. Bungee jumping is specifically designated  
17 as an amusement ride for purposes of the act and shall mean the  
18 sport, activity, or other practice of jumping, diving, stepping out,  
19 dropping, or otherwise being released into the air while attached to  
20 a bungee cord, whereby the cord stretches, stops the fall, lengthens,  
21 and shortens allowing the person to bounce up and down, and is  
22 intended to finally bring the person to a stop at a point above a  
23 surface or the ground;

24           (2) Bungee cord shall mean a cord made of rubber, latex,  
25 or other elastic-type material, whether natural or synthetic;

1                   (3) Commissioner shall mean the Commissioner of Labor or  
2 his or her designee;

3                   (4) Operator shall mean a person actually engaged in or  
4 directly controlling the operations of an amusement ride;

5                   (5) Owner shall mean a person who owns, leases, controls,  
6 or manages the operations of an amusement ride and may include the  
7 state or any political subdivision of the state;

8                   (6) Qualified inspector shall mean any person who is (a)  
9 ~~found~~ certified by the commissioner to possess the requisite training  
10 and experience to perform competently the inspections required by the  
11 Nebraska Amusement Ride Act; ~~and (b) certified by the commissioner to~~  
12 ~~perform inspections of amusement rides;~~ and

13                   (7) Reverse bungee jumping shall mean the sport,  
14 activity, or practice whereby a person is attached to a bungee cord,  
15 the bungee cord is stretched down so that such person is on a fixed  
16 catapult, launch, or release position, and such person is catapulted  
17 or otherwise launched or released into the air from such fixed  
18 position, while attached to a bungee cord, whereby the cord  
19 stretches, stops the fall, lengthens, and shortens allowing the  
20 person to bounce up and down, and is intended to finally bring the  
21 person to a stop at a point above a surface or the ground.

22                   Sec. 2. Section 48-1803, Reissue Revised Statutes of  
23 Nebraska, is amended to read:

24                   48-1803 The commissioner shall adopt and promulgate rules  
25 and regulations (1) for the safe installation, repair, maintenance,

1 use, operation, and inspection of amusement rides as the commissioner  
2 may find necessary for the protection of the general public, (2) for  
3 the annual certification of qualified inspectors of amusement rides,  
4 and (3) and (2) necessary to carry out the provisions of the Nebraska  
5 Amusement Ride Act. Such rules and regulations shall be of a  
6 reasonable nature, based upon generally accepted engineering  
7 standards, formulas, and practices, and, insofar as practicable and  
8 consistent with the Nebraska Amusement Ride Act, uniform with rules  
9 and regulations of other states. Whenever such standards are  
10 available in suitable form they may be incorporated by reference by  
11 the commissioner. The commissioner shall administer and enforce the  
12 Nebraska Amusement Ride Act and all rules and regulations adopted and  
13 promulgated pursuant to such act. The commissioner shall coordinate  
14 all regulatory and investigative activities with the appropriate  
15 state agencies.

16 Sec. 3. Section 48-1805, Reissue Revised Statutes of  
17 Nebraska, is amended to read:

18 48-1805 (1) The commissioner shall issue a permit to  
19 operate an amusement ride to the owner of such amusement ride upon  
20 presentation by the owner of (a) an application for a permit, (b) a  
21 certificate of inspection by a qualified inspector with a current  
22 certification to inspect amusement rides, (c) proof of liability  
23 insurance as required in section 48-1806, and (d) the permit fee.  
24 Such permit shall be valid through December 31 of the year in which  
25 the inspection is performed. Effective January 1, 2012, amusement

1 rides will continue to be required to be inspected, but employees of  
2 the Department of Labor will no longer inspect amusement rides.

3 (2) The commissioner may waive the requirement of  
4 subdivision (1)(b) of this section if the owner of the amusement ride  
5 gives satisfactory proof to the commissioner that such amusement ride  
6 has passed an inspection conducted or required by a federal agency,  
7 any other state, or a governmental subdivision of this or of any  
8 other state which has standards for the inspection of such an  
9 amusement ride at least as stringent as those adopted and promulgated  
10 pursuant to the Nebraska Amusement Ride Act.

11 Sec. 4. Section 48-1811, Reissue Revised Statutes of  
12 Nebraska, is amended to read:

13 48-1811 The commissioner may ~~certify~~provide annual  
14 certification to such qualified inspectors as may be necessary to  
15 carry out the Nebraska Amusement Ride Act according to rules and  
16 regulations adopted and promulgated by the commissioner.

17 Sec. 5. Section 48-1812, Reissue Revised Statutes of  
18 Nebraska, is amended to read:

19 48-1812 (1) The commissioner may establish by rules and  
20 regulations a schedule of reasonable inspections fees for each  
21 amusement ride. The cost of obtaining the certificate of inspection  
22 from a qualified inspector shall be borne by the owner of the  
23 amusement ride.

24 (2) A separate schedule of fees shall be established for  
25 the inspection of bungee jumping operations, including the inspection

1 of cranes used for bungee jumping. The fees shall be established  
2 taking into consideration the cost of such inspections.

3 (3) The commissioner may establish by rules and  
4 regulations a schedule of reasonable fees for the annual  
5 certification of qualified inspectors of amusement rides. Such  
6 certification shall be valid for a period of one year from the date  
7 of issuance.

8 Sec. 6. Section 48-2501, Reissue Revised Statutes of  
9 Nebraska, is amended to read:
