

One Hundred Second Legislature - First Session - 2011

Introducer's Statement of Intent

LB475

Chairperson: Senator Brad Ashford

Committee: Judiciary

Date of Hearing: February 11, 2011

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

The purpose of this clerical change is to close a loop hole identified in 2010 that prevents a post judgment remedy against judgment debtors that are independent contractors for the State of Nebraska. This clerical change will restore the common practice that has been done for decades prior to 2010, and restores the original author's intent of consistent treatment for all independent contractors regardless of whether they are employed by the State of Nebraska or private industry.
