

One Hundred Second Legislature - First Session - 2011

Introducer's Statement of Intent

LB476

Chairperson: Senator Brad Ashford

Committee: Judiciary

Date of Hearing: February 11, 2011

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

The intent of Legislative Bill 476 is to clarify when a designated delivery service may be used. Service of process by a designated delivery service was originally authorized by the Legislature in 2009, now codified in 25-505.01(d). LB 476 would update corresponding statutes to clarify that designated delivery service may be used in the specific instances referenced in statute. The bill further provides that proof of delivery by a designated delivery service must be shown by a signed delivery receipt filed with the court. The bill also provides that the State Court Administrator shall keep a list of designated delivery services which may be used in compliance with Nebraska Statutes on the Supreme Court Website.
