## **Introducer's Statement of Intent**

### **LB88**

---

**Chairperson: Senator Brad Ashford**

**Committee: Judiciary**

**Date of Hearing: January 21, 2011**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Legislative Bill 88 would amend the Concealed Handgun Permit Act to provide for uniform signs and placement of such signs when a property owner desires to prohibit a permit holder from carrying a concealed handgun on his or her property as authorized in the Concealed Handgun Permit Act. This is to reduce confusion and limit the potential of a permit holder unintentionally entering a posted place.

The bill defines "posted conspicuous notice" to clarify the term, and requires the Nebraska State Patrol to design a sign meeting all the specifications in LB 88. Any controllers of property seeking to exercise their current right to prohibit a permit holder from carrying on their premises will be required to use such sign designed by the Nebraska State Patrol, and follow all requirements in the bill as to where the sign should be placed, to be considered a posted place under the law.

LB 88 would codify much of what the Nebraska State Patrol already recommends in their rules and regulations.
