RE: ACCESSNebraska Quarterly Report

Dear Mr. O'Donnell,

In accordance with Legislative Bill 195 (2013) ACCESSNebraska Quarterly Reports, I have attached a copy of the most recent quarter from the Division of Medicaid and Long-Term Care. We are pleased to report improvement from the previous quarter.

The attached report covers the quarter from January through March 2014.

Respectfully,

Ruth T. Vineyard
Deputy Director
Medicaid and Long-Term Care
Department of Health and Human Services

REPORT FOR: LEGISLATURE
REPORT DATE: APRIL 30, 2014
LEGISLATIVE BILL: LB 195
COMMITTEE NAME: HEALTH AND HUMAN SERVICES COMMITTEE
CONTACT PERSON: RUTH VINEYARD, DEPUTY DIRECTOR
MEDICAID AND LONG-TERM CARE DIVISION

Element Two: Number of days in increments that it takes to process applications for Medicaid and Children's Health Insurance Program, separating the data for applicants not applying on the basis of disability from applicants applying on the basis of disability, overall and broken down by county.

See attached:

- Application Processing Medicaid for Children and Families
- Application Processing Medicaid for Aged and Disabled

Element Three: Reasons for benefit applications processing delays (department, client or third party) for all applications that are processed beyond federal and state timeliness in Aid to Dependent Children, Supplemental Nutrition Assistance Program, Aid to Aged, Blind and Disabled, Medicaid and Children's Health Insurance Program statewide, and Child Care Subsidy program, overall and broken down by county. His shall include the number of cases for each respective reason (department, client, third party).

The Department is implementing a system change to N-FOCUS to collect reason for benefit application delay. This change is targeted for July 2014. Once the data is collected a report of this information can be created.

Element Four: The number of case closures in Medicaid, Children's Health Insurance Program, Aid to Dependent Children, Supplemental Nutrition Assistance Program, Aid to Aged Blind and Disabled, and Child Care subsidy program, and the reason for the closure statewide and overall and broken down by county.

Medicaid Programs are included in the report.

See attached:

- Cases Closed by County Reason

Element Five: The number of case closures due to failure to recertify benefits, including timely provide information, failing to perform a case review or failing to appear for an appointment, overall and broken down by county.

Medicaid Programs are included in this report.

See attached:

- Cases Closed by County Reason

Element Six: Total number of first time applicants for benefits categorized by state and county and by month.

See attached:

- January Applications
- February Applications
- March Applications

Element Seven: The percentage of applications that are re-applications, categorized by state and county and by month.

See attached:

- January Applications
- February Applications
- March Applications

Element Eight: The percentage of individuals whose cases closed who reapply for benefits within thirty days and sixty days after case closure, categorized by state and county, and by month.

Medicaid Programs are included in this report.

See attached:

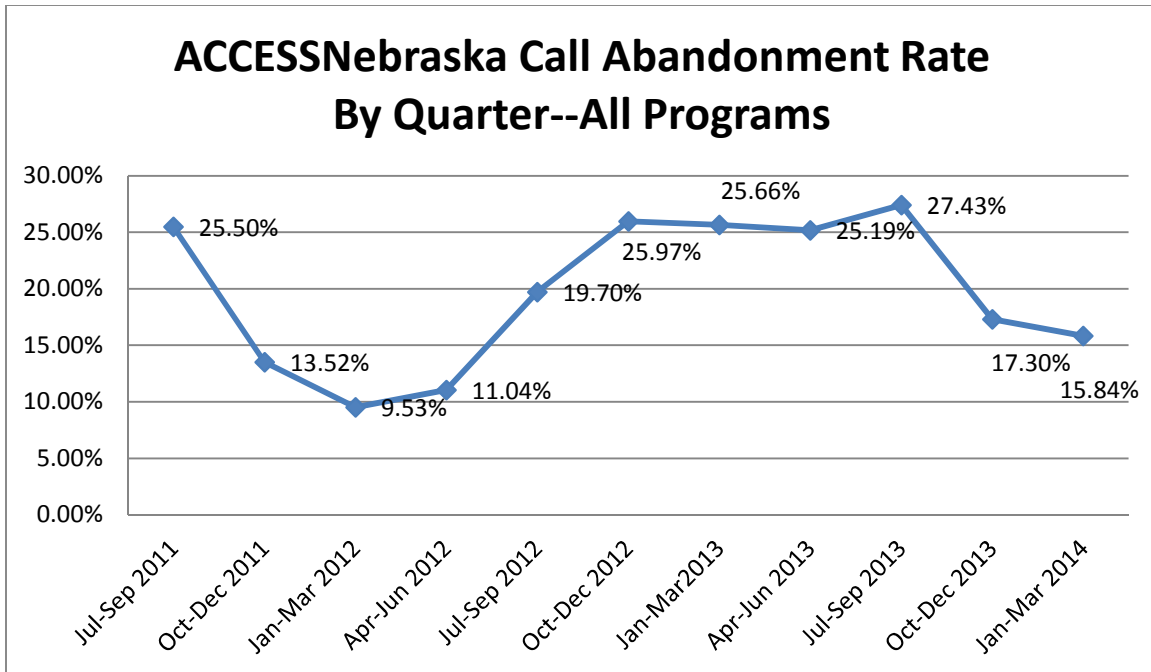

- December percentage of people who had case closed who reapplied within 30 and 60 days
- January percentage of people who had case closed who reapplied within 30 and 60 days
- February percentage of people who had case closed who reapplied within 30 and 60 days.

Element Nine: Average wait time for call center response. The average wait time starting from the time when the call is transferred to the customer service center to the time when the worker answers the call.

Average Call Wait				
	January	February	March	Quarter
Medicaid	9:44	6:16	5:14	7:18

Element Ten: The number of client call terminations (client hang ups) that occur prior to speaking with a staff member and the average length of time starting from the time when the call is transferred to the customer service center to the time when the caller terminates the call.

Call Terminations				
Medicaid	January	February	March	Quarter
Abandonment Rate	19.99%	14.35%	13.19%	16.31%
Number of Abandons	9,768	5,388	4,414	20,253
Average Time to Abandon	6:41	5:05	4:38	5:44

Element Eleven: average number of minutes per delivery system transaction or task based on type of transaction, including but not limited to, application management (new review, renewal), Interviewing (high and low priority), application processing (processing initial, processing daily, and processing ready), and change management.

Data regarding the number of minutes per delivery to process a task is not available. A report reflecting the number of days to complete a work task is attached. This is for the Medicaid Program Work Task Queue.

See attached:

- January 2014 to March 2014 Work Task Report

Element Twelve: The number of hours and the number of days when call center responses are at a maximum and clients receive a busy signal when calling.

The attached report is a summary report taken from the reports submitted by The Office of the Chief Information Officer. The report reflects the date, time and location when a busy signal occurred; it can be assumed if the date and time is not listed that a busy signal did not occur. Windstream submits the Lincoln local number and the State-wide toll free number report. Qwest submits the Omaha local number report. Medicaid has 46 lines available in each location.

See attached:

- January Busy Signal Report
- February Busy Signal Report
- March Busy Signal Report

Element Thirteen: It is the intent of the Legislature that the department submits a report to the Clerk of the Legislature that includes the following monthly information on a quarterly basis of the workers in the ACCESSNebraska call centers and in local offices. The number of social service workers, eligibility technicians and social service lead workers and the number of vacancies are in these positions at the beginning of each month; the number of these positions vacated within a month; and the number of these positions filled within a month.

Note: If a county had no individuals closed for 12/01/2013, the county will not appear on the list. The county may have had individuals who applied for programs within 60 days of 12/01/2013, however they are not considered re-applications for benefits which were closed as of 12/01/2013.

The "Number of Persons Closed Effective..." column provides a reflective count of the individuals who were involved in each type of program case. The entries under "Total" are not a true reflection of the number of individuals closed due to an individual's
