**Summary of purpose and/or changes:**

LB 141 was introduced at the request of the Workers' Compensation Court. Section 1 fixes a statutory conflict. Section 48-180 allows a party to move the court to modify its order, while section 48-162.03 prohibits the court from ruling on a motion for reconsideration. LB 141 removes the prohibition found in 48-162.03. Section 2 adopts the same time frame for filing a bill of exceptions that is used for district court appeals.
