Summary of purpose and/or changes:

Legislative Bill 252 would make technical changes to statutes pertaining to postsecondary education. Sections 85-161 and 85-931 would be amended to revise subsection numbering. Section 85-162.03 would be amended to update names of federal agencies and a local political subdivision. Section 85-301 would be amended to distinguish between required and authorized actions of the Board of Trustees of the Nebraska State Colleges.

Explanation of amendments:

The committee amendment would amend section 2 of the bill to remove references to specific federal and state agencies and local political subdivisions. The section already requires the State Forester to collaborate with such entities on a categorical basis in carrying out sections 85-162.01 to 85-162.05.
