**Summary of purpose and/or changes:**

LB32 updates 60-3,130.04(4) of the Motor Vehicle Registration Act, based on the passage of LB216 (2012), which created the special interest license plate. The clarification is requested by the Department of Motor Vehicles to ensure these plates are exempt from use on historical vehicles.

Section by section summary:

Section 1 amends 60-3,130.04(4) to add "or special interest motor vehicle license plates." to the list of plates disallowed for use as historic plates.

Section 2 repeals original sections.
