**Summary of purpose and/or changes:**

LB 392 would outright repeal section 28-1211 of the Nebraska Revised Statutes.  
28-1211. Firearms; purchase, sell, trade, or convey; conditions.

The State of Nebraska herewith permits its residents, not otherwise precluded by any applicable laws, to purchase, sell, trade, convey, deliver, or transport rifles, shotguns, ammunition, reloading components or firearm accessories in Nebraska and in states contiguous to Nebraska. This authorization is enacted to implement for this state the permissive firearms sales and delivery provisions in section 922(b), (3)(A) of Public Law90-618 of the 90th Congress, Second Session.

In the event that presently enacted federal restrictions on the purchase of rifles, shotguns, ammunition, reloading components, or firearm accessories are repealed by the United States Congress or set aside by courts of competent jurisdiction, this section shall in no way be interpreted to prohibit or restrict the purchase of shotguns, rifles, ammunition, reloading components, or firearm accessories by residents of Nebraska otherwise competent to purchase same in contiguous or other states.
