**Summary of purpose and/or changes:**

Notwithstanding current statutes pertaining to vacant buildings and excess lands, LB 917 would authorize the donation of some of the property that comprises the Norfolk Regional Center to the Northeast Community College. Prior to the donation: (1) there would be a survey to determine what portion of the Norfolk Regional Center property is not needed by the State; (2) pursuant to the survey, a report would be submitted to the Legislature and Governor; and (3) based on the report, the Legislature and Governor would be asked to give authorization to convey the property as a donation to the Northeast Community College.
