

One Hundred Third Legislature - Second Session - 2014

Introducer's Statement of Intent

LB1011

Chairperson: Senator Amanda McGill

Committee: Urban Affairs

Date of Hearing: February 04, 2014

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 1011 would change provisions regarding the ability of a municipal subdivision's governing board to amend or repeal a voter-approved initiative measure.

Currently, no attempt to amend or repeal a voter-approved initiative measure can be undertaken within one year after passage of the measure by the electors. LB 1011 would extend the time period to two years.

LB 1011 would also require full implementation of the measure by the municipal subdivision before an amendment or repeal effort is permitted under the expressed terms.
