

One Hundred Third Legislature - First Session - 2013

Introducer's Statement of Intent

LB165

Chairperson: Senator Annette Dubas

Committee: Transportation and Telecommunications

Date of Hearing: January 29, 2013

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Nebraska law provides a method for Franchised motor vehicle dealers to establish local parts and labor rates to be submitted to the Manufacturer for reimbursement for payment of warranty claims. The rates are differentiated between routine maintenance items and more complicated mechanical items. This bill would amend the law to confirm tire repair and replacment as routine maintenance.
