

# **One Hundred Third Legislature - First Session - 2013**

## **Introducer's Statement of Intent**

### **LB303**

---

**Chairperson: Senator Bill Avery**

**Committee: Government, Military and Veterans Affairs**

**Date of Hearing:**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Currently, all applicants approved for examination by the Board of Examiners for Land Surveyors are required to sit for a National Council of Examiners for Engineering and Surveying (NCEES) examination. The NCEES examinations are scheduled to transition from a traditional "pen and paper" format to a computer based format, in the spring of 2014. This bill will help avoid any misinterpretation of the type of examination required and allow the Board to process examination applications in a more flexible and efficient manner, as computer based examinations will be offered more frequently and at more locations.
