

**One Hundred Third Legislature - Second Session - 2014**

**Introducer's Statement of Intent**

**LB683**

---

**Chairperson: Senator Tom Carlson**

**Committee: Natural Resources**

**Date of Hearing: February 05, 2014**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Legislative Bill 683 amends the Storm Water Management Plan Program statute with an updated citation for the 2010 U.S. Census. The current citation is outdated. The Storm Water Management Program provides grant funding to cities and counties in Nebraska that have duties under the federal Clean Water Act requirements to manage storm water runoff. Eligible communities who apply for the grant are awarded dollars proportionally based on population and whether the census determined they are inside or outside an urbanized area.
