

One Hundred Third Legislature - Second Session - 2014

Introducer's Statement of Intent

LB840

Chairperson: Senator Tom Carlson

Committee: Natural Resources

Date of Hearing: February 19, 2014

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 840 expands the authority of Natural Resource Districts by allowing them to require by rule and regulation permits for all water wells in a management area. Currently domestic water wells that pump less than fifty gallons per minute are exempt from the permitting requirement.
