

One Hundred Third Legislature - Second Session - 2014

Introducer's Statement of Intent

LB910

Chairperson: Senator Annette Dubas

Committee: Transportation and Telecommunications

Date of Hearing: February 04, 2014

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB910 requires law enforcement, or specified contractual agents, to notify lienholders and mortgagees of vehicle impoundment for investigatory purposes. The bill is intended to close a loophole that leaves lienholders with no notice of impoundment and pending sale until 5 days prior to the sale. Allows lienholders to be on notice that a vehicle is incurring impound fees and anticipate sale at auction. Does not affect law enforcement's ability to clear abandoned vehicles from communities.
