Public benefits given to individuals, households, or family eligibility units by the Nebraska Department of Aeronautics would be in the form of contracts with individuals to provide goods or services.

During the reporting period, January 1, 2014 through December 31, 2014, the Department did not enter into any contracts with individuals to provide goods or services.

The Department of Aeronautics is an E Verify Program participant. We have a process to ensure that all contracts entered into after October 1, 2009 comply with Neb. Rev. Stat. § 4-108 et. seq.

Respectfully,

Andre B. Aman, Deputy Director & Legal Counsel  
Nebraska Department of Aeronautics
