Dear Mr. O'Donnell,

Nebraska Revised Statute 81-3133(3) requires the Department of Health and Human Services (DHHS) to report annually to the Legislature information regarding the number of families in all transitional child care assistance programs and the number of families no longer eligible for all transitional child care assistance programs due to income above guidelines. In October 2016 there were 968 families receiving transitional child care assistance. There were 35 families closed due to income above guidelines.

If you have any questions, please contact me at 402-471-1878.

Respectfully,

Douglas J. Weinberg, Director
Division of Children and Family Services
Department of Health and Human Services
