LB 46 provides for the issuance of Choose Life license plates. The plates may be either numerical or message plates. Applicants for numerical plates must pay an additional initial and renewal fee of $\$ 5$ which is deposited into the Nebraska Child Abuse Prevention Fund (NCAPF). Applicants for message plates pay an annual $\$ 40$ plate fee of which $75 \%$ is deposited in the NCAPF and $25 \%$ accrues to the Department of Motor Vehicles (DMV) Cash Fund.

All applicants for plates also pay the regular per plate fee, which is capped at $\$ 3.50$ by current statute. If the manufacturing cost of the plates exceeds the amount charged as a regular plate fee, then the difference between the manufacturing costs and the amount charged is credited to the Highway Trust Fund (HTF) instead of the NCAPF. The bill also has language providing for the plates to be designed to limit the manufacturing cost to equal to or less than the amount charged for the plates.

DMV Expenditures: LB 46 increases expenditures of the DMV by $\$ 9,631$ of cash funds in FY2017-18 to modify the Vehicle Titling and Registration and plate management computer systems to accommodate the new Choose Life plates.

DMV estimates there may be about 2,500 sets of Choose Life plates sold based upon their experience with other specialty license plates. Using this estimate, it is assumed half of this number ( 1,250 ) will apply in the initial fiscal year, assuming the plates will only be issued for six months in FY2017-18. It is also assumed that $60 \%$ of the plates issued will be numerical and $40 \%$ will be personalized.

Assuming the manufacturing cost is equal to the price charged for a plate, then expenditures by the HTF and revenue received by the fund from plate charges will equal $\$ 8,750$ ( $\$ 7.00 /$ set $\times 1,250$ sets) in FY2017-18 and double this amount in FY19 when an estimated 2,500 plates are manufactured. If the manufacturing expense is higher than the amount charged for a regular plate, then the difference between the manufacturing costs and the amount charged is credited to the HTF instead of the NCAPF.

Revenues: Increased revenue from the $\$ 5$ annual fee for a Choose Life numerical plate and $\$ 40$ fee for a personalized plate will be deposited in the DMV Cash Fund and the Nebraska Child Abuse Prevention Fund. The estimated revenue assuming 1,250 sets of plates are applied for in FY2017-18 and 2,500 sets are applied for in FY2018-19 is as shown on the following page:

| TYPE OF PLATE | Fee | Est. \# of <br> Sets | Revenue <br> $2017-18$ | Revenue <br> FY17 <br> Numerical Plate - Child Abuse <br> Prevention Fund (NCAPF) |
| :--- | :---: | :---: | :---: | :---: |
|  | Personalized Plate - DMV CF | $\$ 5.00$ | 750 | $\$ 3,750$ |

The bill allows owners to apply to the county treasurer to transfer specialty plates from one owned vehicle to another. The application fee for the transfer is $\$ 3$. The fees are placed in the DMV Cash Fund. The number of transfers is unknown.
