October 30, 2023

Neb. Rev. Stat. § 81-3133(1)(b)

Introduction

Nebraska Revised Statutes § 81-3133(1)(b) requires the Department of Health and Human Services (DHHS), Division of Children and Family Services (CFS) to report in writing beginning with the third calendar quarter of 2012 on its expenditures for each quarter and the outcomes related to such expenditures within 30 days after the quarter to the Appropriations and Health and Human Services committees. This statute also requires the report to identify any changes or movement of funds in excess of \$250,000 relating to child welfare between subprograms within Budget Program 347 and Budget Program 354.

Expenditures

CFS child welfare expenditures for the period of July 1, 2023, through September 30, 2023, are listed on pages two and three of this report.

Outcomes

Outcomes related to the expenditures in this report are derived from Children's Outcomes Measured in Protection and Safety Statistics (COMPASS). COMPASS measures reflect federal performance indicators that DHHS is held accountable for by the Federal Administration for Children and Families. Outcome measures can be found on pages four through nine of this report.

Ongoing updates of the COMPASS measures are posted on the Department website at https://dhhs-cfscompass.ne.gov/CFSCompass/. Each outcome report identifies the outcome measurement, provides a brief description of the measurement, numerical data by month for the State and each of the DHHS Service Areas, and provides the federal outcome measurement target. Each outcome report also provides a graph to depict the data over time. Measurement definitions and definitions of composite scores are included on each graph.

Movement of Funds

There were no changes or movement of funds in excess of \$250,000 between subprograms related to child welfare in Budget Program 354 during the period of this report.
