

One Hundred Eighth Legislature - Second Session - 2024

Introducer's Statement of Intent

LB1178

Chairperson: Senator Ben Hansen

Committee: Health and Human Services

Date of Hearing: February 07, 2024

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB1178 establishes the Intergenerational Care Facility Incentive Grant Program. The grants shall be awarded to nursing facilities for one-time startup costs for capital improvements to provide child care in nursing facilities. As we are seeing nursing facilities close across the state as well as a lack of quality childcare in rural areas, this bill seeks to address both needs by incentivizing the collocation of these facilities.
