

One Hundred Eighth Legislature - First Session - 2023

Introducer's Statement of Intent

LB782

Chairperson: Senator Suzanne Geist

Committee: Transportation and Telecommunications

Date of Hearing: January 31, 2023

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

There are two intentions of LB 782. First, it is the intent to identify salvaged vehicles that are structurally damaged and the value of the damage does not exceed 75% of the value of the vehicle. The determination to brand a vehicle with a salvage title must be done by a consumer care facility and an insurer.

Second, LB 782 would require consumer care facilities to follow the original equipment manufacturer manuals and guidance when performing consumer care except for the use of original equipment manufacturer parts.
