SPEAKER: We have a small problem. There is a luncheon this noon. I believe out at the center for continuing education and I believed Senator Marsh advised me that the buses were to be here at 11:45 and then we have this report of the Judiciary Committee at 2:00 P.M. and then there is the meeting, I believe of the conflicts of interest committee at 1:30. I would assume that if we recess now that we can finish the reading of these.
