contribution to all campaigns. It will probably increase the amount of money that you could collect if you are running for office. Some of them want particular jobs, such as head of the Health Department, why he would make a much bigger contribution to the campaign so Senator Lewis' amendment is not so ridiculous as you think it is.

SPEAKER: Senator Barnett, did you wish to be recognized or are you passing? All right. Senator Carpenter.

SENATOR CARPENTER: I just would answer Senator Stahmer. The Executive Board gives blanket authority
