

February 19, 1973

CLERK: 31 ayes, no nays Mr. President.

SPEAKER: The bill is introduced.

CLERK: Request #743 (read).

SPEAKER: The Chair recognizes Senator Kremer.

SENATOR KREMER: Mr. Chairman this bill was brought to the committee by the Department of Roads, I call your attention to the provision of the bill that provides that a deletion may be made in Chapter 60-320 which provides that no truck or truck tractor can haul a load with an intransient decal. This deletion was made in the bill last year but for some reason or another it was omitted and this just provides that a truck that is operating under an intransient decal can haul a load, rather than cannot haul a load.

SPEAKER: Is there any further discussion of the bill? The question is shall the bill be introduced. All those in favor vote aye, all those opposed vote no. Thank you. The Clerk will record.

CLERK: 30 ayes, no nays, 19 not voting Mr. President.

SPEAKER: The bill is introduced.
