

LB 774

February 28, 1973

proposal. I don't think any of us know exactly what to do to answer all these drug problems. But in addition to law enforcement and whatever law enforcement can or cannot do, there are other programs available and we do have a bill pending in Health, LB 302, Comprehensive Community Mental Health, Alcohol, and Drugs, and I think once this bill is brought on the floor and adequately funded we will not

(End of Belt #11)
