so that everybody will be better informed, than they probably are now, and lets make a determination then. Let me say before I sit down that this thing, this bill in any form is going to determine to some extent what you get in the way of money. Don't forget that. I ask unanimous consent to bracket the bill until Monday or whatever it is when we meet the next time.

PRESIDENT: Are there objections? Hearing none, so ordered LB275 will be bracketed then till Monday. We move on then to the General File debate of 549. Senator Syas.

SENATOR SYAS: May I request though of the amendments to 275 whoever has them, I would like to have them laying on our desks. I have SENator Carpenter's amendment but these other so called amendments floating around, I have no knowledge of them. I would like to have them all. I think in fairness to us we should have them all. Sure, I have Carpenter's but I haven't got anybody else's.

PRESIDENT: Alright, we will order that the amendments that we have on hand at least be printed in the journal. They will be available for you there. Ready for the General File debate of LB549.

CLERK: Read

PRESIDENT: Amendments by Senator DeCamp. Alright, the Chair recognizes Senator DeCamp.

SENATOR DE CAMP: Mr. Chairman members of the legislature, I think that we adopted the amendments then the motion was to advance it and there was some confusion at that point? Is that right?

CLERK: My apologies Senator. Your amendments were adopted.

SENATOR DE CAMP: OK, then we hesitated to advance it because we had to check something with the Secretary of State office and the Bill Drafter to see if the amendment was compatible with the rest of the bill. I checked with the Secretary of States office and meet with the Under Secretary of State and met with the Bill Drafter and the Bill Drafter reviewed it completely and I reviewed it and I see no problem. It is a separte section and therefore not contradictory as such so I move the advancement of the bill there. There is no problem.

PRESIDENT: Any further discussion of the bill? Question is shall LB549 be advanced as amended be advanced from General File to E & R initial. All thsoe in favor vote aye, those opposed vote no. You are voting then on the advancement of LB594 as amended from General File to E & R initial. We are voting on the advancement of LB549 from General File to E & R initial and in this chamber it still takes 25 votes. Thank you. Clerk will record.

CLERK: 27 Ayes, 0 Nays and 22 Not Voting.

PRESIDENT: Brings up for General File discussion LB267.
