

SPEAKER: Any further discussion? Senator Duis your light is on. Alright Senator Luedtke, what is your motion now?

SENATOR LUEDTKE: I already moved that it...

SPEAKER: You moved that the bill be advanced as amended. The motion has been made to advance the bill as amended. All those in favor vote aye, those opposed vote no. Have you all voted? Clerk will record.

CLERK: 28 ayes, 0 Nays and 21 not voting Mr. President.

SPEAKER: The bill as amended is advanced. The next bill is LB128.

CLERK: Read LB128

SPEAKER: Senator Stromer.

SENATOR STROMER: Mr. Speaker I would ask that we pass the bill over today.

SPEAKER: Any objections of passing the bill over? If not so ordered. LB230, excuse me Senator Carpenter.

SENATOR CARPENTER: Are there some amendments from Senator Waldron? I wonder if they could be printed in the Journal.

SPEAKER: Yes, so ordered. Senator Barnett.

SENATOR BARNETT: Mr. President, before you would a pass that over I would like to ask Senator Stromer a question. Senator Stromer how long do you plan on passing this over?

SENATOR STROMER: Not very long.

SENATOR BARNETT: Within a week?

SENATOR STROMER: I think so, I'm not ready or prepared to take it up today, as I think on a lot of bills we are not.

SENATOR BARNETT: OK, that is good enough.

SPEAKER: LB230, you read that Mr. Clerk.

CLERK: Read LB230.

SPEAKER: Senator Hasebroock.

SENATOR HASEBROOCK: Mr. President, members of the Legislature, I would like to pass over this bill until probably next week we have some more information coming in on it and we are not quite ready to take it up at this time.

SPEAKER: Any objection to passing over the bill? If not so ordered. The next bill is LB238. That is Senator Wiltse. Senator Carpenter.

SENATOR CARPENTER: Move that it be passed over.

SPEAKER: Senator Wiltse, do you have any objection to it being passed over? For how long Senator Carpenter?

SENATOR CARPENTER: Lets say the first part of the week.

SPEAKER: Is that agreeable Senator Wiltse? Alright we will pass that bill over until Monday. That is LB238.
