PRESIDENT: Thank you. That brings us down to the consideration of bills on Select File. Senator Syas for what purpose do you rise?

SENATOR SYAS: 104 is on Select File and I just got a letter from the Attorney General and he suggested an amendment and it isn't ready. So I would like to delay the bill for a day or two until I get the amendment. It is the situation brought up here on the floor that we can clarify but I haven't had a chance to...I just got it this morning and I haven't had a chance to take it to the bill drafter.

PRESIDENT: Senator Syas asking unanimous consent to bracket LB104 on Select File. Are there any objections?

SENATOR SYAS: For a day or two until I get the amendment.

PRESIDENT: Any objections to bracketing 104 for a day or two. Hearing none, so ordered. The bill is bracketed. Senator Cavanaugh, we are ready for the consideration of bills on Select File. Senator Cavanaugh.

SENATOR CAVANAUGH: I don't have the amendments here, are there....

CLERK: 590.

SENATOR CAVANAUGH: Mr. President I move that LB590 be advanced to E & R for engrossing.

PRESIDENT: Motion is to advance LB590, from Select File to E & R engrossing. All those in favor of advancing the bill.... Oh, excuse me. Senator Carpenter.

SENATOR CARPENTER: Mr. President, I failed to contact Senator Cavanaugh but there is an amendment pending on it which I have and an amendment but I don't have the statement indicating what the amendment will do. I would hope that we would hold this over until tomorrow because the amendment is quite important, the amendment is approved by the Secretary of State as I understand it and others. It has to do with elections so if you have no objections I am sure that it will be ready tomorrow morning. I guess it is 592.

PRESIDENT: OK,

SENATOR CAVANAUGH: OK, you still have the motion then.

PRESIDENT: Well frankly I don't see 592 on Select File so lets....The motion is to advance 590 from Select File to E & R for engrossing. Is there any further discussion of the motion? All those in favor say aye, those opposed say no. Bill is advanced.

SENATOR CAVANAUGH: Mr. President I move that LB591 be advanced to E & R for engrossing.

PRESIDENT: Motion is to advance LB591 to E & R for engrossing.
