PRESIDENT: Senator Stahmer, for what purpose did you want to be recognized?

SENATOR STAHMER: Mr. President, members of the Body. I'd just like to take a second with Senator Proud said about the salary situation. I would certainly hope any senator who does not intend to seek re-election does all in his power to see that this situation is remedied because I think it's difficult for anyone who is a senator to speak to the people without appearing to be looking like he's trying to get something. And this, as we all know, horrible situation so I would certainly encourage anyone who is not running to try and help the other people.
