PRESIDENT: The question is shall the request bill out and the bill introduced. This is the first request only. And you know that it takes 30 votes in order to introduce the bill. All those in favor vote aye, all those opposed vote no for the introduction of the bill. Once again the chair will ask if you have all voted? The Clerk will record.

CLERK: 9 ayes, 23 nays.

PRESIDENT: All right, Senator Kremer, the chair appreciates you not asking for a Call of the House. The motion is lost to introduce that bill. Senator Kremer do you want to try the water again?

SENATOR KREMER: The atmosphere is not very good. We had a lot of fun over the last bill. Maybe that is some merit I'm sure it probably is. But I'm really serious about this bill. Request #1531. The purpose of this..I mean this bill is introduced after a study has been made by an interim Study committee. Now the statement of intent is on your desk. We would invite you reading it with me.
