

PRESIDENT: What other motions do we have?

CLERK: Mr. President we have a Notice of Committee Hearing by Government Committee, signed by Senator Chambers. Mr. President we have a request for Unanimous Consent to insert in the Journal some amendments to LB772, signed Senator Carpenter. He has requested just simply Unanimous Consent to print them.

PRESIDENT: Are there objections? Senator Carpenter, go ahead.

SENATOR CARPENTER: These are true amendments to Senator Warner's School Aid Bill. I will not attempt to amend except when it gets to Select File. I only put them there for a matter of information.

PRESIDENT: Alright, Senator Mahoney for what purpose do you rise?

SENATOR MAHONEY: Clerk has on his desk has

CLERK: Mr. President they are sending a motion to reconsider our action on Final Reading of LB104.

PRESIDENT: Senator Mahoney.

SENATOR MAHONEY: Mr. President and members, to be very brief on it. My motion would be to ask the body today to reconsider our action of the other day, I believe it was Thursday, and my thinking at this time is that the Senators themselves, the bill has to do with lands that are forested and streams. It would be a great help to outstate areas. The only people that have gotten involved in this thing are County Officials who sometimes become lax in work and who just don't want to do the everyday job of separating properties to see that certain farmers and certain ranchers get a tax break.

PRESIDENT: Any further discussion on the motion to reconsider the action on LB104? Question is, shall the bill then be reconsidered. All those in favor of reconsidering the action on LB104 vote aye, all those opposed vote no. This particular action takes 30 votes. The motion is to reconsider the action on LB104 which failed on Final Reading. Motion for reconsideration. Once again, have you all voted? Senator Mahoney, what's your pleasure?

SENATOR MAHONEY: Oh, I hate to belabor this thing, but I suppose we should call for a Call of the House.

PRESIDENT: Alright, he supposes we should have a Call of the House. The Clerk will clear the board. Standby, we've got to get to you Senator Fellman. Clear the board. Next bill, please indicate your support of a Call of the House. This motion is for a Call of the House. Indicate your support of a Call of the House. Senator Mahoney asking for a Call of the House. That's enough, Clerk will record. Motion is only for a Call of the House.

CLERK: 22 ayes, 8 nays to go under Call.

PRESIDENT: We're under Call, the next bill please indicate your presence. In order to indicate your presence, we sometimes have to take our seats. We're asking the Senators to indicate their
