SENATOR CARPENTER: Point of order. From a...a..tomorrow morning I expect to make a motion, Senator Proud is not here, and I have not talked with him, but I will between now and then that the committee hearings all cease after February 18th. Obviously if we don't do that, if we are going to meet half days all this session we are going to leave a lot of bills on the board which may not be too bad I don't know about that. But I want you to think about it I don't want to discuss it now, we ought to get to other bills.

PRESIDENT: Senator Whitney for what purpose do you rise?

SENATOR WHITNEY: Point a personal privilege, to respond to Senator Carpenter. As I recall in the Journal we have public hearings on February or up to February 22. That is the last date I have seen. There may be more after February 22.

PRESIDENT: Senator Carpenter.

SENATOR CARPENTER: We have some set into March. but there has to be a point to stop it. Now I only made the motion to alert you and the rest of the body that I will make it tomorrow. Lets discuss it then. Not now.

PRESIDENT: Thank you. What other motions do we have on the desk? Senator Warner in the Chamber? We are ready for LB___. Senator Savage, for what purpose do you rise.

SENATOR SAVAGE: What are we going to do about 684 that we were so rudely interrupted by a motion to adjourn yesterday. We were right in the middle of it. We ought to continue that one first I would think.
