SENATOR RICHENDIFER: Mr. Chairman and members, I would like to pass over the amendments now, due to the fact that the people out at the prison industries is trying to work up a type of plate that they can comply with that this calls for. Now the amendments all they are for are for the bicentennial plate, that would be made for 1976 through 80, so I would ask unanimous consent to pass over the amendments and take up the bill. No just pass over them and I will take them up on Select File.
