

March 5, 1974

PRESIDENT: You have heard the motion to adopt the amendments to LB966. All those in favor of that motion say aye, those opposed say no. The amendments are adopted.

SENATOR CAVANAUGH: I move that LB966 as amended be advanced to E & R for Engrassing.

PRESIDENT: You have heard the motion to advance LB966 as amended. All those in favor of the advancement of the bill please say aye, those opposed say no. The bill as amended is advanced.

CLERK: Motion on the desk, Mr. President.

PRESIDENT: Read the motion on the desk.

CLERK: I move to return LB822 to Select File for Specific amendment (Signed) Senator Duis.

PRESIDENT: The Chair recognizes Senator Duis, for his motion on 822.

SENATOR DUIS: Mr. President, I believe this bill is over on Final Reading isn't it? The specific amendment that I have here and the return of this had to do with the writing of bonds in regard to the letting contract where a specific company is ordered to write the bond. Now, what I would like very much to do, is to explain this and see if it can be returned and held on Select File. What happened or has happened I am told, is that if a contract comes in that the people who are letting the contract are designating a particular company of agent to write the bond. And in essence what this probably does at time is raise the cost of the bonds, or designated into a particular place, and thereby cutting out the bidding for the bond.

PRESIDENT: Is there any further discussion of the motion? Senator Duis is asking 822 to be returned to Select File, and then what, to be held there, Senator Duis?

SENATOR DUIS: Right.

PRESIDENT: All those in favor of returning LB822 to Select File, as per explained by Senator Duis, vote aye, all those opposed vote no. Senator Duis is asking for the return of LB822 to Select File to be held there. Motion requires 25 votes. Thank you, Clerk will record.

CLERK: 25 ayes, no nays to return.

PRESIDENT: 822 is returned then to Select File. Do we have any other motions there on the desk.

CLERK: We have one more bill, Mr. President. We have a motion to unbracket LB293 on E & R Final (Signed) Senator Simpson. I believe he wants to return it to Select File for a specific amendment.

PRESIDENT: All right, the Chair recognizes Senator Simpson, for his motion.

SENATOR SIMPSON: Mr. President, I've held 293 on E & R for some corrective amendments which were needed. We have some very minor problems on it having to do with in case you went
