PRESIDENT: Will the Legislature please come to order. We will have roll call. Please indicate your presence. Clerk will record.

CLERK: 22, 23, 24, (mike turned off). Mr. President, you clerk on enrollment and review reports that we have examined LB736 and find the same correctly enrolled. In addition Mr. President, there are several bills awaiting your signature.

PRESIDENT: Thank you. Read the motion on the desk. (mike turned off) While the legislature was in session and capable of transacting business I have signed LB736, 811, 646, 735, 737, 738, 739, 742, 744, 748, 828, 833, 855, 975, 975A, 722, 747, and in conclusion LB794. Read the motion on the desk.

CLERK: Read motion regarding LB629.

PRESIDENT: The motion was on 629, was it?

CLERK: Yes sir.

PRESIDENT: Thank you. The Chair recognizes Senator Snyder.

SENATOR SNYDER: Mr. President, members of the legislature, this is the bill that I have asked to have bracketed this morning while we worked out an amendment. It is merely a corrective amendment. The bill was reported out by the Urban Affairs Committee and in the Journal on pages 6780679 and 680 was the amended version of the bill. We only add the word or such counties so that in the area where a municipality where it does not have a comprehensive SID plan, the county would have the jurisdiction for that and there was an error as the bill was reported out in renumbering the section 1-5 rather than 2-6. That needs to be stricken so as not to confuse the bill. They are corrective amendments only. They do not change anything as far as the intent of LB629, so I would ask for 25 votes on my motion to return 629 to Select File for these specific amendments. I so move.

PRESIDENT: Senator Snyder has asked unanimous consent to unbracket LB629, are there objections to unbracketing the bill? Hearing none, so ordered then. The motion is to return 629 to Select File for specific amendment that he has outlined. Is there need for discussion? Alright then the question is shall LB629 be returned from E & R to Select File for specific amendment. All those in favor of returning the bill for an amendment vote aye, those opposed vote not. Senator Snyder is returning LB629 to Select File for a specific amendment. That motion still takes 25 votes. Senator Snyder do you want to....or a.....a.....

SENATOR SNYDER: Yes, thank you for the opportunity Mr. President, I always wanted an unlimited opportunity to say a few things around here. My good friend Senator Hasebroock is inquiring at the desk on a very pertinent point of information and I know that he is enroute back to his desk so that he might aid this worthy cause. Register your presence with your vote if you would Senator Keyes.
