Directly related. Stahmer's bill is different than Terry Carpenter's bill. I was just wondering if...if...and I'm not advocating, I want it strictly understood I'm not advocating putting one out or killing any of them right at the present time but if one did....I don't like to do this type of thing....but if one did not survive, I suppose you could use that as a vehicle, a resolution and put it, make it a Constitutional Amendment to do what Senator Carpenter has suggested. It's just an alternate method that I wanted to bring to your attention. I do not believe that we can take LB772 and suspend the rules and change it. I...I.... I'm hopeful we can but I don't think we can but there ought to be some vehicle up there someplace that we could make a Constitutional Amendment out of something. Oh yea, well that's right, I wasn't aware of that Senator but I see that Duis....Senator Duis has LB958, you can do it there.

PRESIDENT: Senator Duis, now, Senator Duis, you're the Chairman of the Rules Committee. We're just having a town hall discussion here. There's nothing before the Body.
